1 THE COURT: Good morning. Bring the jury in,  
2 please.

3 MR. HARVIS: A couple of quick things?

4 THE COURT: It will wait until the first break. I  
5 want to reinforce the jury getting here on time.

6 Does it relate to your cross?

7 MR. HARVIS: Yes, your Honor, one thing. Your  
8 Honor said we opened the door to limited inquiry, handcuffing.  
9 I have six questions, run them by your Honor.

10 THE COURT: You can run them by me with the jury in  
11 the box. If they're out of bounds and there's an objection,  
12 I'll rule on it.

13 (Jury enters courtroom.)

14 THE COURT: Good morning. Have a seat. Have a  
15 seat, Mr. Robertson.

16 Go ahead, Mr. Harvis.

17 CONTINUED CROSS-EXAMINATION

18 BY MR. HARVIS:

19 Q Good morning, Mr. Robertson.

20 A Good morning.

21 Q Mr. Robertson, when we left off yesterday, we were  
22 discussing your scar. I asked you whether or not you have  
23 ever been struck with a baton over your left eye prior to  
24 April, 2006. You told me that you had not, right?

25 A Right.

Robertson-cross-Harvis

224

1 Q Mr. Robertson, we discussed the fact you had your  
2 deposition taken in this case. I want to ask you whether you  
3 were asked these questions and whether you gave these answers.

4 "QUESTION: How did -- "

5 Sorry, page 52, line five.

6 "QUESTION: How did -- ?

7 "ANSWER: He hit me with one of those same objects  
8 that the police officers hit me with.

9 "QUESTION: What object is that?

10 "ANSWER: Over my left eye. I don't know, a  
11 baton, is that what you call it? All right, a baton."

12 Q You also sustained a gunshot wound over your left eye in  
13 1988?

14 A Yes.

15 Q You were in fact shot with a .22 caliber bullet over your  
16 left eye?

17 A Yes.

18 Q The gunshot resulted in what you call an explosion wound?

19 A Yeah -- I don't know, I'm not sure.

20 Q Mr. Robertson, at your deposition, were you asked this  
21 question and did you give this answers?

22 "QUESTION: With a gun?

23 "ANSWER: With a gun and I actually -- my  
24 forehead actually had an explosion wound. You can tell that  
25 it was my tissue was ripped."

Robertson-cross-Harvis

225

1                   Were you asked that question, did you give that  
2 answer?

3       A     I believe so.

4       Q     You went to the hospital after you were shot in the  
5 forehead?

6       A     Yes.

7       Q     You received stitches at the hospital, right?

8       A     Yes.

9       Q     It was not bonding but actual butterfly stitches?

10      A     Yes.

11      Q     At your deposition you pointed to a scar above your left  
12 eye that you said was the result of the gunshot wound?

13      A     Yes.

14      Q     The scar you pointed to at your deposition is  
15 approximately one inch above your left eyebrow?

16      A     I would say something like that, probably more.

17      Q     Mr. Robertson, I'm on page 48, line 20 of your  
18 deposition. Were you asked these questions, did you give  
19 these answers?

20               "QUESTION: He shot you in the head with a gun?

21               "ANSWER: Right here, buddy (indicating).

22               "QUESTION: Let the record reflect Mr. Robertson is  
23 pointing to a scar on the left side of his forehead  
24 approximately one inch above his left eyebrow.

25               "ANSWER: Right. "

Robertson-cross-Harvis

226

1           Were you asked those questions, did you give those  
2 answers?

3       A     Yes.

4       Q     Mr. Robertson, you're also kicked over your left eye in  
5 January or February of 2006?

6       A     My left eye, no.

7       Q     Page 55, line 16. Were you asked these questions, did  
8 you give these answers?

9           "QUESTION:   What physical injuries?

10          "ANSWER:     At one time I was jumped at an incident  
11 on Nostrand and kicked over my left eye at the same time.

12          "QUESTION:   Which eye?

13          "ANSWER:     At the same time, the same eye.

14          "QUESTION:   Your left eye?

15          "ANSWER:     Right. "

16          Were you asked those questions, did you give those  
17 answers?

18          MS. HOLLOWAY:   Objection.

19          THE COURT:     Overruled.

20       A     I only gave one, I'm only going to agree to one of those,  
21 it was the right and maybe as well as on the front,  
22 misunderstood.

23          THE COURT:     Objection is overruled. You're  
24 stipulating accurately to the deposition transcript?

25          MS. HOLLOWAY:   I don't believe he read it

Robertson-cross-Harvis

227

1 accurately.

2 THE COURT: Could I have a copy of this deposition?

3 MR. HARVIS: Yes.

4 THE COURT: Can someone spare that copy that I can  
5 use?

6 MR. HARVIS: Yes.

7 THE COURT: Confer with Ms. Holloway, see if you  
8 can agree on what happened.

9 (Pause.)

10 MS. HOLLOWAY: He will read it again.

11 Q I'm reading again from page 55, line 16.

12 "QUESTION: What physical injuries?

13 "ANSWER: At one time I was jumped at an incident  
14 on Nostrand and kicked over my eye at the same time.

15 "QUESTION: Which eye?

16 "ANSWER: At the same time, it was the same eye.

17 "QUESTION: Your left eye?

18 "ANSWER: Right. "

19 Were you asked those questions and did you give  
20 those answers?

21 A I was asked similar questions and I was responding to my  
22 right eye.

23 THE COURT: You meant your right eye?

24 THE WITNESS: That was my answer, my final answer.

25 THE COURT: It's your final answer?

Robertson-cross-Harvis

228

1 THE WITNESS: That was the final result of  
2 respondi ng.

3 Q I'm now showing you what's been marked for i denti fi ca ti on  
4 as Defendants' Exhi bi t X-2. Mr. Robertson, do you recognize  
5 thi s document?

6 A Somewhat. It's me, yeah.

7 Q Is it a photograph of you that was taken on August 26th,  
8 2004?

9 A August 26th, 2004, possi bl y.

10 Q Yes?

11 A Possi bi li ty.

12 MR. HARVIS: I would like to move this document  
13 into evidence as Defendants' Exhi bi t 2.

14 THE COURT: Any ob jec ti on?

15 MS. HOLLOWAY: No, can we approach?

16 THE COURT: No. Sustained.

17 Q Mr. Robertson, isn't it true that in 2004 it was noted  
18 that you had a scar on the left side of your forehead?

19 A No, 2004, left side of my forehead, no. It was August of  
20 that month preparing to come home from my state prison.

21 THE COURT: Would you listen to the question, just  
22 answer the question? The answer was no?

23 THE WITNESS: No.

24 Q Mr. Robertson, you claim it took almost a year for the  
25 injury and your left eye that you claimed resulted from the

1 incident on April 14th, 2006 to heal?

2 A Could you repeat the question? I didn't get that.

3 Q You claim that it took almost a year for the injury  
4 around your left eye that you claim resulted from the  
5 April 14th, 2006 incident to heal; is that correct?

6 A I'm not sure. I don't remember, approximately several  
7 months into a year.

8 Q Page 179, line nine. At your deposition were you asked  
9 these questions and did you give these answers?

10 "QUESTION: Did there come a point in time when the  
11 injury around your left eye healed?

12 "ANSWER: Yeah.

13 "QUESTION: When?

14 "ANSWER: About -- let me see, I think my sixth  
15 month.

16 "QUESTION: Six months later?

17 "ANSWER: Almost a year."

18 Were you asked those questions, did you give those  
19 answers.

20 A Just what I made that same statement, just about.

21 THE COURT: The question is whether you gave those  
22 answers. Did you?

23 THE WITNESS: Yes.

24 Q This document is in evidence. This is Plaintiff's  
25 Exhibit 17.

Robertson-cross-Harvis

230

1 THE COURT: This is in evidence already?

2 MR. HARVIS: Yes.

3 THE COURT: I don't recall it.

4 MR. HARVIS: Is it not in evidence? I apologize.

5 Q Mr. Robertson, do you recognize this document?

6 A Yes.

7 Q Is this a photograph that was taken of you on May 11th,  
8 2006?

9 A Yes.

10 MR. HARVIS: I would like to offer Plaintiff's  
11 Exhibit 17 into evidence.

12 MS. HOLLOWAY: No objection.

13 THE COURT: Received.

14 (So marked.)

15 Q Mr. Robertson, you said this is a photograph of you taken  
16 on May 11th, 2006, right?

17 A Yes.

18 Q This photograph shows what you looked like less than a  
19 month after the events of April 14th, 2006?

20 A Sorry, could you repeat that? I didn't get the exact  
21 time length that you're stating.

22 Q I'm saying this picture shows what you looked like less  
23 than a month after the events of April 14th, 2006?

24 A Not true. I was arrested the 13th of May. This photo --  
25 I'm not sure what you're saying this took place, this photo.

Robertson-cross-Harvis

231

1 Q You're saying this photograph was taken on May 13th?

2 A No, I'm sorry, excuse me. The distance of time, what  
3 date in May you stated this photograph was took?

4 Q All I want to know, was this photograph taken less than a  
5 month after the events of April 14th, 2006?

6 A Approximately, exactly a month.

7 Q You claim that the incident on April 14th, 2006 is the  
8 cause of your bad knees, right?

9 A Yes, sir.

10 Q But you did injure your right knee in 2002, four years  
11 before this incident when you fell on it, right?

12 A I don't recall. I have no idea.

13 Q Do you recall being treated at Coney Island Hospital for  
14 an injury sustained when you fell on your right knee on  
15 September 10th, 2002?

16 A There was -- no, I don't recall any care for my right or  
17 left knee in 2002.

18 Q Mr. Robertson, I'm now showing you what's marked for  
19 identification as Defendants' Exhibit L-1. Please take a look  
20 at this document. Let me know if it refreshes your  
21 recollection as to whether or not you were treated at Coney  
22 Island Hospital for an injury to your right knee when you fell  
23 on it on September 10th, 2002?

24 THE COURT: Could you point to where you want his  
25 attention drawn?

Robertson-cross-Harvis

232

1 Q Note the date of the document and I would also like you  
2 to read to yourself what it says here under the written  
3 portion here. Let me know when you're done, Mr. Robertson.

4 THE COURT: Don't read it out loud.

5 A I don't understand the handwriting, sorry.

6 Q It does not refresh your recollection?

7 A I don't understand anything the handwriting is saying.

8 Q Do you recall being diagnosed with osteoarthritis in your  
9 right knee in 2001?

10 A No, thank you.

11 Q I'm now showing you a document marked for identification  
12 as Defendants' U-1. I would like you to take a look at this  
13 document. I'll point out where I would like you to look. I'm  
14 asking you to look at -- ask you if this portion of the  
15 document refreshes your recollection and this portion of the  
16 document refreshes your recollection whether or not you were  
17 diagnosed with osteoarthritis in your right knee on  
18 September 11th, 2002?

19 A I haven't ever reported anything in 2002 about my knee or  
20 knees. I don't recall ever having a problem that soon with  
21 either of my knees. It definitely wasn't in September. In  
22 2002 I was -- excuse me, I was living in Bed-Stuy where I  
23 then pick up my gun possession of the third degree in which I  
24 resided in Hall Street (ph) at the time. The record  
25 reflects --

Robertson-cross-Harvis

233

1 THE COURT: Could you listen to the question? The  
2 question is whether this refreshes your recollection.

3 THE WITNESS: It doesn't.

4 THE COURT: Stop interrupting me.

5 THE WITNESS: Okay.

6 THE COURT: The question is whether looking at  
7 this, very simple, put aside, you have an independent  
8 recollection that you got diagnosed in your right knee with  
9 this osteoarthritis in September of '02. That's the question,  
10 not where you were living, what you were charged with. Focus  
11 on the question.

12 Do you recollect having any such diagnosis on your  
13 right knee at that time?

14 THE WITNESS: No, sir, I apologize.

15 THE COURT: That's it. Wait for another question.  
16 Stop rambling, okay?

17 THE WITNESS: Yes, sir.

18 Q Mr. Robertson, do you see your name on this document?

19 A Yes.

20 Q Is this document a medical record of yours?

21 A I don't recall. Yes, it looks exactly that way, but I  
22 don't recall.

23 MR. HARVIS: I would like to move Defendant's U-1  
24 into evidence.

25 MS. HOLLOWAY: No objection.

Robertson-cross-Harvis

234

1 THE COURT: Received.

2 (So marked.)

3 Q This document is now in evidence. I want to point out  
4 for the jury here where it says -- excuse me, I'll refer you  
5 to where you see here it says under I CD-9, diagnosis,  
6 osteoarthritis, localize, not specified whether primary or  
7 secondary, lower leg, interpretation right knee?

8 THE COURT: It's in evidence.

9 MR. HARVIS: Sorry.

10 THE COURT: Don't read it. It's in evidence. Now  
11 you've got it.

12 MR. HARVIS: Thank you.

13 Q Mr. Robertson, are you aware that osteoarthritis is a  
14 common joint disorder?

15 A No, I have no idea.

16 Q Do you recall being treated at the Coney Island Hospital  
17 emergency room on March 20th, 2006 for an injury to your right  
18 knee?

19 A No.

20 Q I'm now showing you what has been marked for  
21 identification as Defendant's Exhibit U-2. I would like you  
22 to take a look at this portion of the document right here,  
23 this portion right here, and this portion right here. Let me  
24 know if that refreshes your recollection as to whether or not  
25 you visited the Coney Island Hospital emergency room for

Robertson-cross-Harvis

235

1 treatment for a knee injury in 2006.

2 A I see it. Could you repeat the question?

3 Q Yes. Looking at this document, does it refresh your  
4 recollection as to whether or not you were treated at the  
5 Coney Island Hospital emergency room for a knee injury in  
6 March of 2006?

7 A There's no recollection. I don't remember being treated  
8 for a knee injury.

9 THE COURT: What you're trying to say here is "no",  
10 you don't have a recollection?

11 THE WITNESS: I'm --

12 THE COURT: It's okay to say you don't recollect.

13 THE WITNESS: I'm not sure if I could give the  
14 proper response to this.

15 THE COURT: You either have a recollection or you  
16 don't.

17 THE WITNESS: Yes, but it wasn't no injury.

18 THE COURT: Tell us what you do recall.

19 THE WITNESS: Okay, I recall going into the  
20 emergency room requesting information, some type of diagnosis  
21 which I wasn't given. It was explained to me to follow up  
22 further, with further instructions to be dated, which I did  
23 not complete, for x-rays, or continued interest in completing  
24 during that time. It was just I felt it was a slight hardship  
25 effect from me staying motivated too much, being, you know, a

Robertson-cross-Harvis

236

1 single parent. That was my main interest in entering the  
2 emergency room, to seek and sought myself some type of care  
3 and concern so that I can continue to care for mine.

4 Q This is another one of your medical records?

5 A It is to me.

6 MR. HARVIS: I would like to move it into evidence,  
7 Plaintiff's Exhibit U-2.

8 THE COURT: Any objection?

9 MS. HOLLOWAY: No.

10 THE COURT: Received.

11 (So marked.)

12 Q Mr. Robertson, your left knee was also injured on  
13 May 24th, 2006, right?

14 A On where?

15 Q May 24th, 2006.

16 A Injured where? In what incident?

17 THE COURT: Just answer the question. Was it  
18 injured on that day?

19 THE WITNESS: No, I don't recall.

20 THE COURT: Don't ask him questions. Just answer  
21 them.

22 THE WITNESS: No.

23 MR. HARVIS: I'll show the witness a document that  
24 is not in evidence.

25 Q Mr. Robertson, all I want to know about when you look at

Robertson-cross-Harvis

237

1 this document is whether or not this document refreshes your  
2 recollection as to your left knee being injured on May 24th,  
3 2006.

4 A Yeah, there's a recollection on this document because  
5 it's the corrections department.

6 Q It does refresh your recollection about that?

7 A Of course.

8 Q Mr. Robertson, you never mentioned a knee injury in your  
9 first letter to the comptroller, William Thompson, right?

10 A Correct.

11 Q You never mentioned any knee injury in your second letter  
12 to the comptroller, right?

13 A Correct.

14 Q You also never mentioned a knee injury in the complaint  
15 you filed with this court, right?

16 A No, not at all.

17 Q You did not, okay. In fact, the first time you ever said  
18 anything about any knee injury was when you testified in your  
19 deposition in December of 2008, right?

20 A Just about, yeah.

21 Q You claim because of what happened on April 14th, 2006  
22 today you have pain in your shoulder?

23 A Yes.

24 Q But you actually sustained a gunshot wound to your bicep  
25 on January 1st, 1993?

Robertson-cross-Harvis

238

1 A I'm not sure what part of the statement of bicep. Be  
2 more specific, please.

3 Q Did you sustain a gunshot wound to your bicep on  
4 January 1st, 1993?

5 A I have no recollection of what bicep means besides  
6 knowing where I was injured.

7 MR. HARVIS: Page 44, line 14.

8 THE COURT: Don't go there yet. Be more specific.  
9 Where did you get shot? Show us.

10 A I was shot in my right arm.

11 Q You're saying you were not shot in the bicep?

12 A I was shot in my left arm, yes.

13 THE COURT: Could you show us where? You don't  
14 have to take your shirt off.

15 THE WITNESS: It came in here, went out there.

16 THE COURT: Indicating above the elbow, an inch and  
17 a half above the elbow. Go ahead.

18 Q Mr. Robertson, because of your gunshot, your arm is not  
19 normal all the time?

20 A Yeah, sort of, yes.

21 Q Your arm also feels heavy, right?

22 A Sometimes.

23 Q Again, there's no mention of a shoulder injury in your  
24 first letter to the comptroller, William Thompson?

25 A No.

Robertson-cross-Harvis

239

1 Q There's no mention of your shoulder in your second letter  
2 to William Thompson?

3 A No.

4 Q You never mentioned the shoulder injury in your  
5 complaint?

6 A No.

7 Q You didn't even mention your shoulder once in your  
8 deposition in December of 2008.

9 A I'm not sure. I don't recall.

10 Q Isn't it true --

11 A Whether I did or didn't.

12 Q Isn't it true the first time you mentioned anything about  
13 your shoulder was in December of 2009, less than four months  
14 ago?

15 MS. HOLLOWAY: Objection.

16 THE COURT: Overruled.

17 A I'm not sure. I don't have an answer to that because you  
18 just said --

19 THE COURT: Forget the "because." You don't know if  
20 that's the case?

21 THE WITNESS: It was further in 2008, as you said  
22 the first time, so it wasn't 2009.

23 Q What did you say in 2008, about 2008?

24 A I'm not sure. I'm not exactly sure, but I could give you  
25 a brief explanation. I'm sure I explained to you that in the

Robertson-cross-Harvis

240

1 matters of my shoulder, it was just an extra -- in the  
2 definition toward me adding in addition on what's relevant  
3 that I didn't mark and the reason I gave you was this exact  
4 same eye injury, I did not --

5 THE COURT: Excuse me, it might be me. I don't know  
6 what you said.

7 Did you complain about your shoulder in 2008?

8 THE WITNESS: Yes, I did.

9 THE COURT: Go ahead.

10 Q Mr. Robertson, you took photographs of your injuries just  
11 two days after the April 14th, 2006 incident, right?

12 A Could you repeat that, please?

13 Q You took photographs or had photographs taken of your  
14 injuries two days after the incident on April 14th, 2006.

15 A Correct.

16 Q You had those photographs at the time you filed your  
17 complaint for this lawsuit, right?

18 A I had those -- no, not correct.

19 Q I'm now showing you the complaint in this lawsuit --

20 THE COURT: This is what, plaintiff's exhibit what  
21 in evidence?

22 MR. HARVIS: It's DX-Y --

23 THE COURT: What is it?

24 MR. HARVIS: Defendants' Exhibit Y.

25 MS. HOLLOWAY: Premarked.

Robertson-cross-Harvis

241

1 Q Mr. Robertson, I'm drawing your attention to page five of  
2 the document here, section letter I. Can you read to the jury  
3 what it says? Let me read it and tell me if that's what it  
4 says or not. Does this say, I also have 12 by 12 printed out  
5 snapshots of what my face looked like -- looked and felt  
6 like?

7 A Yes.

8 THE COURT: Could you push that mike a couple of  
9 inches away from you? That's it. Thank you.

10 THE WITNESS: Yes.

11 Q Mr. Robertson, you had the photographs of your injuries  
12 at the time of your deposition in 2008, right?

13 A No.

14 MR. HARVIS: Page 178, line 15 of the deposition.

15 Q Were you asked this question, did you give this answer?

16 "QUESTION: Did you ever see the photographs?

17 "ANSWER: Yeah, I have a few copies."

18 Were you asked that question, did you give that  
19 answer.

20 A No.

21 THE COURT: Keep going.

22 "QUESTION: You have copies?

23 "ANSWER: Right, I hold a few copies. I don't  
24 have them presently.

25 "QUESTION: Where are they now?

Robertson-cross-Harvis

242

1 "ANSWER: They are in my mom's apartment in a safe  
2 place, somewhere she put them, but yeah."

3 Were you asked those questions, did you give those  
4 answers, Mr. Robertson?

5 A I was asked those questions and no, I did not give those  
6 exact answers, neither one of them you just stated.

7 Q Did you ever provide an errata sheet with any corrections  
8 to your deposition transcript in 2008?

9 A I don't understand what you're saying.

10 Q Did you ever provide any corrections to the deposition of  
11 you that was taken in December of 2008?

12 A No, I didn't provide any corrections. I received one  
13 copy approximately a week later.

14 THE COURT: This is before you were represented by  
15 counsel?

16 THE WITNESS: Exactly.

17 THE COURT: Move off that subject, please.

18 MR. HARVIS: The entirety of the photographs, your  
19 Honor?

20 THE COURT: No, you can continue, the errata sheet,  
21 move off of that. He was pro se at the time.

22 Q As we just discussed -- withdrawn.

23 You said the photographs were at your mother's  
24 apartment, that you were going to look to them and give them  
25 to me, right, Mr. Robertson?

Robertson-cross-Harvis

243

1 A That was correct.

2 Q You also said at your depositions if you couldn't find  
3 them, you're going to get copies from the person who took  
4 them, right?

5 A I would attempt that. I explained it.

6 Q But you never gave me copies of those photographs, right?

7 A You're right, no.

8 Q You don't have them with you here today, right?

9 A No.

10 Q You lost those photographs, right, Mr. Robertson?

11 A As it was explained the first time up until now, yeah.

12 Q Yes, you lost them?

13 A Yeah, somehow.

14 Q You testified yesterday that you attempted to get mental  
15 health treatment at the Jewish Board and South Beach, right?

16 A Yes.

17 Q When was that?

18 A A few times.

19 Q When in time?

20 A 2005, 2006, 2007 and also again in 2008.

21 Q You said they wanted to put you on a waiting list, right?

22 A Yes, 2009.

23 Q They wanted to put you on a waiting list in 2009?

24 A All three places.

25 Q Did you have yourself put on that waiting list?

Robertson-cross-Harvis

244

1 A It wasn't accessible until being interviewed through a  
2 social worker, which I had to find, I had to have an  
3 appointment to see one actually. So, no.

4 Q Did you make an appointment to see one?

5 A I requested, but they declined. That was my explanation.

6 Q You requested to have an appointment made and they told  
7 you you cannot make an appointment?

8 A No, about the social worker, they didn't tell me no, I  
9 couldn't. They explained. They basically played hard ball  
10 with me. There was no response by the social worker.

11 Q Did you ever seek mental health treatment at Coney Island  
12 Hospital or Brookdale Hospital?

13 A Coney Island Hospital.

14 Q What about Brookdale?

15 A I just answered Coney Island Hospital I received  
16 psychiatric treatment, and observation, sir.

17 Q As a result of following this incident, you went to Coney  
18 Island --

19 A No.

20 Q What I'm asking, the emotional injuries you claim  
21 resulted from this incident, did you ever seek treatment for  
22 those injuries, mental health facilities at Brookdale Hospital  
23 or Coney Island Hospital?

24 A No.

25 Q Did you ever seek mental health treatment following this

Robertson-cross-Harvis

245

1 incident at any other hospital in Brooklyn?

2 A No.

3 Q Mr. Robertson, you've been arrested approximately 23  
4 times including the arrest on April 14th, 2006?

5 MS. HOLLOWAY: Objection.

6 THE COURT: I'm going to allow a little bit of  
7 questioning here only because you heard testimony yesterday  
8 about how circumstances of this arrest distinguished  
9 themselves in terms of the police conduct from the plaintiff's  
10 view from the circumstances of his other arrests. In light of  
11 that, it seems to me fair to allow a little bit of cross.

12 It's treacherous territory because there's prejudice  
13 associated with someone being arrested. You learn someone has  
14 been arrested, this case is going to boil down to your  
15 determination whether Mr. Robertson has proved by a  
16 preponderance of the evidence the elements of his claims and  
17 at the heart of that will be whether he's proved by a  
18 preponderance of the evidence the mistreatment he claims he  
19 was subjected to in April of 2006. If you find the  
20 evidence -- I don't know what the rest of the testimony is  
21 going to be. I'm like you, hearing it, too, for the first  
22 time. If you find the evidence is on the knife's edge, a  
23 difficult call, you can't decide this claim against  
24 Mr. Robertson because he had been arrested many times in the  
25 past. That wouldn't be right. Be careful and limit the use

Robertson-cross-Harvis

246

1 to which you put this testimony. I'm only going to allow a  
2 little bit of this testimony, a little bit of questioning, a  
3 little bit of probing by Mr. Harvis. The only permissible use  
4 you can put to it is to assess this testimony, obviously to  
5 test the credibility of this witness being challenged. He's  
6 testified on prior occasions he was treated a certain way that  
7 was unobjectionable. Here, the treatment he got distinguished  
8 itself significantly. Having said that, some additional  
9 questioning about his treatment on these prior occasions --  
10 you're going to ask questions, Mr. Harvis, about the use of  
11 handcuffs, I take it?

12 MR. HARVIS: Yes, your Honor.

13 THE COURT: We'll get to that in a minute. Only  
14 use it to the extent, if any, you think it sheds useful light  
15 on his credibility regarding what happened in April of 2006.  
16 Don't allow, don't hold it against Mr. Robertson. The last  
17 thing we're going to do is try all these other events that  
18 gave rise to these prior arrests. That's irrelevant to us.  
19 Don't hold it against him. It's important that you don't do  
20 that. Understood?

21 Any objection to the limiting instruction by  
22 anybody?

23 MS. HOLLOWAY: No objection.

24 MR. HARVIS: No.

25 THE COURT: Go ahead, please.

Robertson-cross-Harvis

247

1 Q Mr. Robertson, you've been arrested approximately 23  
2 times?

3 A Something like that, just about.

4 Q Do you know for how many of those arrests you were  
5 handcuffed?

6 A I was arrested, I was cuffed.

7 Q You've also been incarcerated, right?

8 A A few times.

9 THE COURT: Sustained.

10 Q How many times would you say you've been handcuffed in  
11 your life, Mr. Robertson?

12 A A little over ten.

13 Q A little over ten?

14 A Yeah.

15 Q You just said -- withdrawn.

16 April 14th, 2006 is the only time the handcuffing  
17 was painful for you?

18 A Yeah.

19 MR. HARVIS: No further questions.

20 THE COURT: Is there any redirect?

21 MS. HOLLOWAY: Yes.

22 THE COURT: Would you like to conduct it?

23 Go right ahead.

24 Thank you, Mr. Harvis.

1 REDI RECT EXAMI NATION

2 BY MS. HOLLOWAY:

3 Q Good morni ng.

4 A Good morni ng.

5 Q We've heard testimony you've been arrested a number of  
6 times before, correct?

7 A Yes.

8 Q Have you ever before filed a lawsui t compl aini ng about  
9 the treatment that you received from police officers during  
10 any of those arrests?

11 A No.

12 Q We heard testimony a moment ago about a gunshot wound to  
13 your forehead, correct?

14 A Correct.

15 Q We heard testimony that you have a scar on your forehead  
16 from that gunshot wound, correct?

17 A Yes.

18 Q Can you point to that scar on your forehead, please?

19 A (Indi cating).

20 Q Can you lift your head up so the jury can see?

21 A (Indi cating).

22 Q I can't see from here how high above your left eye it is?

23 A (Indi cating).

24 MS. HOLLOWAY: Stipulated about an inch above hi s  
25 left eye.

Robertson-redirect-Holloway

249

1 THE COURT: Fair enough.

2 Q Would you point to the scar, Mr. Robertson, when I was  
3 asking you questions yesterday that you have as a result of  
4 being struck with the baton on April 14th, 2006?

5 A (Indicating).

6 Q You're pointing to a scar that's in your eyebrow?

7 A Yes.

8 Q Those are two different scars you just pointed to?

9 A Yes.

10 Q We just heard testimony, and Mr. Harvis read some  
11 testimony from your deposition transcript about a time  
12 previously that you were hit with an object like a baton that  
13 you described like a baton, correct?

14 A Correct.

15 Q Where were you hit with that baton or baton-like object?

16 A My bottom lip on the right side.

17 Q In fact, at your deposition, if you recall, do you recall  
18 testifying that you had an injury on your lip?

19 A I believe so.

20 Q You saw during Mr. Harvis's questioning some medical  
21 records for some injury you received to your knee, correct,  
22 Mr. Robertson?

23 A I believe so.

24 Q It's your testimony you then received another injury to  
25 your knees as a result of the arrest of April 14th, 2006,

Rpbertson-redi rect-Hol l oway

250

1 correct?

2 A Yes.

3 Q In fact, your knees have been injured a number of times,  
4 including on April 14th, 2006, right, Mr. Robertson?

5 A I wouldn't say injured, but giving me trouble.

6 Q Was the trouble that your knees gave you after your  
7 arrest on April 14th, 2006 worse than the trouble your knees  
8 were giving you before that arrest?

9 A Yeah.

10 THE COURT: Could you push that mike a couple of  
11 inches away from your face? Thank you.

12 Q Mr. Robertson, you testified that you had photographs  
13 taken of the injuries you sustained as a result of your  
14 arrest, correct?

15 A Right.

16 Q Who did you to take those photographs for you?

17 A A friends of mine's niece.

18 Q She took those photographs and did she print out copies  
19 for you?

20 A Yes, she did.

21 Q What did you do with those copies of the photos?

22 A I placed them in my room in my closet, the shelf in my  
23 mom's apartment, 3002 Surf Avenue.

24 Q After you placed those photographs in your closet in your  
25 mom's apartment, you were then incarcerated for your parole

1 violation, correct?

2 A Correct.

3 Q Approximately how long were you incarcerated and  
4 therefore not living at your mother's house on Surf Avenue?

5 A For a year, like two months.

6 Q Do you know whether there was anyone else living in your  
7 mother's apartment or sleeping in your bedroom during that  
8 time?

9 A Yes.

10 Q Who is staying in your bedroom at that time?

11 A My cousin and her children's father.

12 Q When was the next time that you looked for those  
13 photographs?

14 A Once I was released.

15 Q When you looked in your closet for the photographs you  
16 had put there, they weren't there anymore?

17 A No, they weren't.

18 Q Do you know whether your friend's niece, who took the  
19 photographs, still had copies of the photographs?

20 A No, at the time the same person suffered from illness.  
21 So, it was very difficult to even speak with them.

22 Q Why had you asked her to take those photographs of you  
23 two days after the incident on April 14th?

24 A So that I could sought -- show more evidence and  
25 background of my case, I intended.

Rpbertson-redi rect-Hol l oway

252

1 Q During my direct examination of you, you testified that  
2 you weren't intoxicated during the incident on April 14th,  
3 2006, correct?

4 A Correct.

5 Q You also testified that you hadn't consumed any alcohol  
6 or used any drugs at all in the hours preceding that incident,  
7 correct?

8 A Correct.

9 Q Then we heard testimony when Mr. Harvis was asking you  
10 questions, he read from your deposition, and he elicited  
11 testimony that you may have smoked marijuana at some point  
12 earlier that day, correct, do you recall that?

13 A I recall going into that.

14 Q As we sit here today, do you recall whether you smoked  
15 any marijuana on the day of the incident?

16 A No, not really. It might have been the day before or  
17 during the morning, maybe.

18 Q You don't recall whether you did on the morning of the  
19 incident?

20 A Right.

21 Q Your testimony is that you certainly did not in the hours  
22 preceding the incident, correct?

23 A No, at all.

24 Q You're not sure now, and were you sure when your  
25 deposition was taken?

Rpbertson-redi rect-Hol l oway

253

1 A No, I'm sure I didn't -- well, I'm sure I didn't smoke  
2 or do any drugs during that day as I'm proceeding.

3 Q Certainly not after you left your mother's house, went to  
4 your aunt's house?

5 A No.

6 Q Do you remember what time that was?

7 A Approximately between two and one, a lot before three?

8 Q Sometime in the afternoon?

9 A Yes.

10 MS. HOLLOWAY: That's it.

11 THE COURT: Ms. Holloway, thank you. Anything  
12 further?

13 MR. HARVIS: No, your Honor.

14 THE COURT: You may step down, Mr. Robertson.

15 Call your next witness, Ms. Holloway.

16 MS. HOLLOWAY: My next witness isn't here yet. I  
17 intended to call Ms. Tasha Ricks. She's arriving in twenty  
18 minutes. We could either play the deposition of the officers.

19 THE COURT: Let's do that since we don't really  
20 have an option. It's either play the deposition testimony or  
21 just wait around?

22 MS. HOLLOWAY: The other option, we'll offer the  
23 testimony of Eleanor Dorfman to put into evidence --

24 THE COURT: Whatever you prefer.

25 MS. HOLLOWAY: I prefer to play the deposition

1 testimony.

2 THE COURT: Go right ahead.

3 MR. HARVIS: Might we have a brief side bar?

4 THE COURT: Yes, come up.

2 THE COURT: Yes?

3 MR. HARVIS: It's not clear exactly what plaintiff  
4 anticipating what's happening now. Is it that the officers'  
5 deposition testimony, all three officers, be played just  
6 continuously or that they will be played, then we have an  
7 opportunity to call them on cross or something like that, or  
8 some variation? More as a practical question how does that  
9 work?

10 THE COURT: I assume these are being offered as  
11 statements of party opponents. There's not going to be any  
12 cross because you can't cross a tape.

13 MR. HARVIS: Is plaintiff also going to call them  
14 as live witnesses?

15 MS. HOLLOWAY: No.

16 THE COURT: I assume not. You're going to call  
17 these folks, then put in photos and call Ms. Ricks?

18 MS. HOLLOWAY: Yes.

19 MR. HARVIS: One more thing. Are there objections  
20 contained in the testimony, are those objections not to be  
21 ruled on?

22 THE COURT: I'll rule on them.

23 MS. HOLLOWAY: We designated the testimony, put in  
24 our joint pretrial order. The defendants didn't object in the  
25 course of putting together the pretrial order to any of those

1 specific objections, didn't preserve the objections nor to any  
2 cross of the testimony.

3 MR. HARVIS: The objections are in the testimony  
4 itself.

5 THE COURT: I'll hear them. I'm not going to rule  
6 on them.

7 MR. HARVIS: Can they be cut out?

8 MS. HOLLOWAY: The objections were taken out of the  
9 videotape.

10 THE COURT: Do I have a transcript I can look at?

11 MS. HOLLOWAY: We do.

12 MR. GOLD: I note for the record if there are

4 MS. HOLLOWAY: Yes.

5 In some instances, we revised the -- this contains  
6 everything that we are going to play. The videos are somewhat  
7 shorter. We got rid of all the other things.

8 THE COURT: So I will see on here adjacent to what  
9 you play any objections that were made at the time?

10 MR. HARVIS: Yes.

11 THE COURT: All right. Any reason I can't -- I will  
12 look at it. If I decide that that objection would have been  
13 sustained, I will tell the jury to disregard that testimony.

14 MS. HOLLOWAY: Okay.

15 MR. HARVIS: Sure.

16 MR. BROOKS: That's fine.

17 MS. HOLLOWAY: Here are the other two. That's  
18 Sullivan. This is Deglas.

19 THE COURT: I look forward to it.

20 MS. HOLLOWAY: Yes.

21 (In open court.)

22 THE COURT: Would you like to know what's going on?

23 Okay. The next piece of the plaintiff's case  
24 consists of statements made by the defendant detectives or  
25 sergeant, as the case may be, which can be offered by them as

1 evidence. They are statements that were made in what we call  
2 the discovery phase of the case, depositions. You already  
3 heard how depositions, sworn testimony, was given by the  
4 participants in the disputed events. You are going to hear  
5 excerpts culled from the deposition, the videotaped deposition  
6 testimony of each of the defendants, and you can consider it  
7 as evidence.

8 All right. Who are we starting with?

9 MS. HOLLOWAY: We are starting with Officer Prince,  
10 Your Honor.

11 Can we take a moment for a restroom break before we  
12 play the videos?

13 THE COURT: Yes. Short break. Don't discuss the  
14 case.

15 All rise.

16 (The following occurred in the absence of the jury.)

17 THE COURT: All right.

18 (Recess taken.)

19 THE COURT: Are we ready to go?

20 MS. HOLLOWAY: I have conferred with defendants'  
21 counsel and we have agreed that when the jury returns I will  
22 move the documents into evidence that are going to be  
23 discussed during the depositions. Defendants' counsel has no  
24 objection. These documents are their trial exhibits. We will  
25 show them to the jury and then we will play the videos.

1 THE COURT: Okay. Are you ready?

2 MR. HARVIS: Your Honor, we are waiting for the  
3 officers.

4 THE COURT: Okay. Please get them.

5 (Jury present.)

6 THE COURT: Okay. Please be seated, everyone.

7 All right. Let's go.

8 Are going to offer some exhibits into evidence?

9 MS. HOLLOWAY: I am.

10 THE COURT: They are?

11 MS. HOLLOWAY: Prior to playing the deposition  
12 testimony we are going to offer some documents into evidence.

13 THE COURT: Yes.

14 MS. HOLLOWAY: Those documents have previously been  
15 marked Plaintiff's Exhibits 11, 19, 22 -- I'm sorry -- 12, 13,  
16 9 and 10. I am going --

17 THE COURT: I take it, there is no objection, is  
18 that correct, Mr. Harvis?

19 MR. HARVIS: That is correct, Your Honor.

20 THE COURT: They are all received.

21 (So marked.)

22 MS. HOLLOWAY: Plaintiff's Exhibit 19.

23 (Displayed on Elmo.)

24 Plaintiff's Exhibit 12.

25 (Displayed on Elmo.)

1 THE COURT: What is that? Is that the arrest  
2 report?

3 MS. HOLLOWAY: Yes.

4 THE COURT: Is that for the event giving rise to the  
5 claims in this case?

6 MS. HOLLOWAY: This is the arrest report in Omni form  
7 System.

8 THE COURT: Okay. What was the earlier one, memo  
9 pads from one of the officers?

10 MS. HOLLOWAY: Plaintiff's Exhibit 19 is an excerpt  
11 from the memo pad of Dimitri Deglas. This is the first page.  
12 It is an excerpt from the night the incident took place.

13 This is Plaintiff's Exhibit 11, which is the scratch  
14 copy or the hardcopy of the arrest report from the arrest the  
15 night in question.

16 (Displayed on Elmo.)

17 This is the second page of that scratch copy.

18 THE COURT: All right.

19 MS. HOLLOWAY: This is the Omni form System complaint  
20 related to the arrest on the night in question.

21 THE COURT: What was that last one?

22 MS. HOLLOWAY: Plaintiff's Exhibit 13.

23 THE COURT: Okay.

24 MS. HOLLOWAY: This is Plaintiff's Exhibit 9, which  
25 is the property clerk's invoice relating to the 18 clear zips

1 of marijuana allegedly recovered.

2 THE COURT: Okay.

3 MS. HOLLOWAY: This is Plaintiff's Exhibit 10, which  
4 is the property clerk's invoice for the two black gloves that  
5 were allegedly --

6 MR. BROOKS: Objection to allegedly, Your Honor.

7 THE COURT: Why? Isn't that in dispute in the case?

8 MR. BROOKS: Withdrawn.

9 THE COURT: Those are your exhibits?

10 MS. HOLLOWAY: Yes, Your Honor.

11 THE COURT: All right. Sorry. We have to take  
12 another break. This time it is my fault.

13 I will tell you why. In this building each year  
14 between 45 and 50,000 people become naturalized citizens and I  
15 am on Miscellaneous Duty, which gives me the privilege today  
16 of swearing in 250 of them about downstairs. They are waiting  
17 downstairs. It only takes about 15 minutes. It is worth the  
18 wait.

19 We will resume at 11:00 o'clock.

20 Don't discuss the case.

21 All rise.

22 (The following occurred in the absence of the jury.)

23 THE COURT: All right. We are in recess for  
24 15 minutes.

25 (Recess taken.)

1 THE COURT: Where are you playing it from? The  
2 prosecution table laptop, position two?

3 MS. HOLLOWAY: Yes.

4 THE COURT: Okay.

5 (Jury present.)

6 THE COURT: Please be seated, everyone.

7 Okay. Are you ready with the excerpts from the  
8 deposition?

9 Who is this? Detective Prince?

10 MS. HOLLOWAY: Yes, it is, Your Honor.

11 Yes, we are.

12 THE COURT: Okay. Go right ahead.

13 (Video plays.)

14 THE COURT: What page are we on?

15 MS. HOLLOWAY: 21.

17 THE COURT: What page are we on?

18 MS. HOLLOWAY: 108. That's it.

19 THE COURT: Is that it?

20 MS. HOLLOWAY: Yes.

21 (Video stops.)

22 MS. HOLLOWAY: I apologize for the lack of linking,  
23 appropriate linking in the video. I think it will be improved  
24 in the next one.

25 THE COURT: That's all right. The audio is fine.

1 We understand, these are excerpts. Sometimes there is a  
2 little lack of fit between the video and the audio feed.

9 THE COURT: Any objection?

10 MR. HARVIS: No.

11 THE COURT: Received.

13 MS. HOLLOWAY: This is Plaintiff's Exhibit 6-A

4 to plaintiff calling Ms. Ricks as a witness. We want to  
5 expresses our concern she's going to testify about some of the  
6 crucial points, about probable cause for the arrest. As the  
7 defense attorneys, we're concerned she would try to put in her  
8 evaluation.

9 THE COURT: She's not going to do that?

10 MS. HOLLOWAY: Just testimony based on her  
11 recollection of the appearances she made in this case in  
12 connection with the charges that were filed against  
13 Mr. Robertson.

14 MR. BROOKS: That's fine.

15 MS. HOLLOWAY: I don't intend to elicit any  
16 testimony based on any privileged conversations Ms. Ricks had  
17 with Mr. Robertson nor anything she recalls by virtue of  
18 reviewing any privileged documents. If cross-examination  
19 proceeds in a way treading on this, I'm going to object on  
20 those grounds. I want to say by calling her, I don't intend  
21 to waive privilege.

22 THE COURT: As long as we're here, I reviewed --  
23 I'll mark as Court Exhibits A, B and C these transcripts I  
24 have of the depositions of the three individuals, the three  
25 defendants.

1           The record ought to reflect the highlighted portions  
2 of them include things that were not on the CD or the DVD that  
3 was played. I take it that DVD includes only what the jury  
4 saw?

5           MS. HOLLOWAY: Yes.

6           THE COURT: If someone wants to examine what was  
7 actually played, Court Exhibits A, B and C wouldn't be the  
8 place to go. That DVD -- did we mark it in evidence?

9           MS. HOLLOWAY: We didn't.

10          THE COURT: Let's call it?

11          MS. HOLLOWAY: Plaintiff's Exhibit 43?

12          THE COURT: Let's call it Plaintiff's Exhibit 100,  
13 shows what was actually shown to the jury. I reviewed the  
14 objections as we went and they're all overruled. Some of  
15 them, truth be told, I couldn't quite tell the basis as I was  
16 going through it. That happens when you do it live as well.  
17 In any event, the objections are overruled, so I'm not going  
18 to strike anything. I will prepare and put court exhibit  
19 stickers on the transcripts so you have your objections  
20 preserved.

21          THE COURT: Government Exhibit 100 is in evidence.  
22 (So marked.)

23          THE COURT: Are you Ms. Ricks?

24          THE WITNESS: I am.

1 MR. BROOKS: This is not in evidence, your Honor.

2 THE COURT: All right.

3 MS. HOLLOWAY: I'm sorry --

4 (Pause.)

5 Q Do you recognize this document, Ms. Ricks?

6 THE COURT: What exhibit is this?

7 MS. HOLLOWAY: 6-A.

8 THE COURT: Is it in evidence?

9 MS. HOLLOWAY: Yes, it is in evidence.

10 A Yes, I recognize it.

11 Q What is this document?

12 A It's the criminal court complaint that was filed

3 A Yes, I do.

4 MS. HOLLOWAY: I would like to move this document  
5 into evidence.

6 THE COURT: Any objection?

7 MR. BROOKS: Objection, foundation.

8 THE COURT: What is this document?

9 THE WITNESS: It's the court action summary for the  
10 appearances of the attorneys and the clients that occurred on  
11 the subsequent dates from the arraignment. I appeared on  
12 them. The court made notations as to my appearance as well as  
13 my client.

14 THE COURT: Who creates this document?

15 THE WITNESS: The document itself is created by the  
16 judge's handwriting based on the attorneys that appear, the  
17 client that appears, the action that occurs on the record in  
18 that court.

19 THE COURT: Where is it kept? Is it part of your  
20 file or the court file?

21 THE WITNESS: Officially part of the court file.  
22 It's part of my file if I get a copy and put it in the file  
23 based on what occurred at that particular date.

24 THE COURT: Did this come from your file?

25 THE WITNESS: Yes.

2 MR. BROOKS: Plaintiff withheld the entire file on  
3 behalf of attorney-client privilege.

4 MS. HOLLOWAY: Mr. Brooks asked for the file.  
5 I said any documents in the file that were not privileged,  
6 there were duplicates in the court file, I produced them.  
7 I heard no further objection from Mr. Brooks.

8 THE COURT: What are we doing with this witness?  
9 Are we establishing the circumstances surrounding the  
10 dismissal of the charge?

11 MS. HOLLOWAY: Yes.

12 THE COURT: What is this, Plaintiff's 6?

13 MS. HOLLOWAY: 6-B.

14 THE COURT: What's on them? What do they say?

15 MS. HOLLOWAY: I'm going to elicit from her each of  
16 these boxes is the one court appearance that was made, each of  
17 these is for a court appearance made and she appeared at all  
18 these court appearances. I'll ask her what this relates to,  
19 ask her if she's familiar with the notation, "no corrobor  
20 lab." Does she recall what this is referring to that occurred  
21 at this court appearance. She will say yes. Then I'm going  
22 to introduce the transcript from this appearance, subsequent  
23 appearance, ask her to review it, accords what happened in  
24 that conference, whether the charges were dismissed.

25 THE COURT: Any dispute about any of this?

Ri cks-di rect-Hol l oway

273

1 MR. HARVIS: No.

2 MR. BROOKS: The concern I have is her reading the  
3 notes. She didn't make the notes.

4 THE COURT: So what?

5 MS. HOLLOWAY: She understands what they mean.

6 This is a notation she's familiar with.

7 MR. HARVIS: We'll stipulate it was a 30.30  
8 dismissal.

9 MS. HOLLOWAY: We asked them to stipulate it was  
10 dismissed, no corroborating affidavit --

11 THE COURT: Don't talk at the same time, please.  
12 What's your objection?

13 MR. BROOKS: My objection is her reading the notes  
14 from this document.

15 THE COURT: Why is it impermissible?

16 MR. BROOKS: No personal knowledge what those notes  
17 mean.

18 THE COURT: This is her file?

19 MR. BROOKS: She didn't create it, the criminal  
20 court created it.

21 THE COURT: Objection overruled.

1 (Open court.)

2 THE COURT: That's received, 6-B.

3 (So marked.) Go ahead.

4 Q Is this your handwriting on this document, Ms. Ricks?

5 A No.

6 Q Do you have an understanding of whose handwriting it is?

7 A Yes.

8 Q Whose handwriting is on this document?

9 A For each respective date, it's the judge that was  
10 presiding at that particular appearance.

11 Q Your understanding the judge taking notes based on the  
12 appearance?

13 A Yes, the record made on that given date.

14 Q Do each of these rows you see on this exhibit relate to  
15 an appearance date?

16 A Yes.

17 THE COURT: Do you have a lot of cases?

18 THE WITNESS: Yes.

19 THE COURT: Hundreds?

20 THE WITNESS: I would definitely say close to 100.

21 THE COURT: Is it possible for you to remember all  
22 the things about all your cases that happen in court?

23 THE WITNESS: Each and every specific case, no.

24 THE COURT: Do you use notes like this from your  
25 file to keep track of what happened in your cases?

Ri cks-di rect-Hol l oway

275

1 THE WITNESS: I do, yes.

2 THE COURT: Go ahead.

3 Q If we could turn to the second page of this exhibit,  
4 NYC-22, the bottom right-hand corner. You see the top box,  
5 Ms. Ricks?

6 A Yes.

7 Q Does that row relate to a specific person's date?

8 A Yes.

9 Q What appearance date was that?

10 A June 22nd of 2006.

11 Q You see the notation in the large box, it says no corrob  
12 or lab, is that a notation that means something to you?

13 A Yes.

14 Q What does it mean?

15 A No corrob means the district attorney's office had not  
16 provided a corroborating affidavit to support the allegations  
17 that were listed in the complaint, and with respect to the  
18 lab, that the district attorney's office had not provided by  
19 way of the police department the lab report with respect to  
20 the item that the complaint named was recovered from my  
21 client.

22 Q Is that your recollection of what occurred on the  
23 appearance date, June 22nd, 2006?

24 A Yes.

25 Q If you could look at the next row, does that row also

1 relate to a specific appearance date?

2 A Yes, it does.

3 Q What appearance date is that?

4 A July 17th, 2006.

5 Q The notation in that box, it says, I think. DIFM and  
6 sealed, does that mean something to you?

7 A Yes.

8 Q What does that mean?

9 A It means that particular docket on July 17th, 2006 was  
10 dismissed and sealed by the court. The District Attorney's  
11 Office had not converted their complaint into a valid or  
12 sufficient information in order to proceed with that matter in  
13 court within the statutory time period.

14 Q In this case did you move to have the complaint  
15 dismissed?

16 A Yes, I did, pursuant to the criminal procedure law  
17 section 3030 which is what's indicated in the notation.

18 Q On what grounds did you move that it should be dismissed  
19 personally to 3030?

20 A Because the criminal procedure law governs the way in  
21 which the cases that are brought before a criminal court judge  
22 can actually proceed. When a complaint is brought for what  
23 would be considered a misdemeanor charge, then the District  
24 Attorney's Office by statute has 90 days from the date of  
25 arraignment. In this case, 90 days from April 16th of 2006,

1 the arraignment being the first date that Mr. Robertson was  
2 before the court on those charges, if the district attorney  
3 does not change those allegations by way of having a  
4 supporting deposition or a corroborating affidavit from the  
5 complainants, here the New York State Police Department, if  
6 they do not have an affidavit by those officers that says  
7 whatever we're alleging in this complaint is true and there's  
8 no hearsay, then the matter has to be dismissed within  
9 90 days.

10 Q A moment ago we looked at the complaint in this case. Is  
11 this not a corroborating affidavit?

12 A No, it's not. It's just a mere complaint which is a  
13 piece of paper that alleges something that a person may or may  
14 not have done.

15 Q Is this complaint signed by the complaining officers?

16 A No. The actual complaint was drafted by a paralegal in  
17 the District Attorney's Office, Ms. Woods. It was drafted  
18 based upon what is alleged to have been mentioned to her by  
19 the Police Officers Sullivan and Prince.

20 Q If we could turn back once more to Plaintiff's  
21 Exhibit 6-B, the second page -- actually, the first page, the  
22 third row, can you read the notes and what do they say in the  
23 big box?

24 A Defendant in and produced, warrant vacated and expunged.  
25 Defendant incarcerated on date of -- looks like May 5th.

Ricks-direct-Holloway

278

1 Q Do you have any recollection of whether Mr. Robertson was  
2 incarcerated on May 5th?

3 A Yes.

4 Q What's your recollection about that incarceration?

5 A As a result of the April 16th arrest, my client was  
6 violated by the Department of Parole. When the case was  
7 arraigned on April 16th, he was released on his own  
8 recognizance. Because the case was brought before the court,  
9 his parole was violated and he was then subsequently put in  
10 jail or incarcerated. When the case was on May 2nd, that's  
11 when Mr. Robertson was put in.

12 Q I would like to mark --

13 THE COURT: Could you go back to that, please, back  
14 to that exhibit you just had on the screen? Please enlarge  
15 that third box. Does that say incarcerated on other matter on  
16 5-5.

17 THE WITNESS: No, it looks like on the date.

18 THE COURT: Is your testimony that he was  
19 incarcerated in connection with the violation proceeding that  
20 was brought?

21 THE WITNESS: Exactly.

22 MS. HOLLOWAY: I would like to mark for  
23 identification, show the witness Plaintiff's Exhibit 42?

24 Q Ms. Ricks, do you recognize this document?

25 A Yes.

Ricks-direct-Holloway

279

1 Q Have you seen it before?

2 A I have.

3 Q What is it?

4 A The transcript from July 17th, 2006 proceedings.

5 Q Does this transcript conform with your recollection of  
6 what occurred during the July 17th, 2006 proceeding?

7 A Yes.

8 MS. HOLLOWAY: I would like to move this document  
9 into evidence.

10 THE COURT: Any objection?

11 MR. BROOKS: Objection.

12 THE COURT: How many pages is it?

13 MS. HOLLOWAY: Four.

14 THE COURT: Could you hand it up and I'll take a  
15 quick look at it?

16 (Pause.)

17 THE COURT: Basis?

18 MR. BROOKS: Out-of-court statements. We've had no  
19 opportunity to cross examine any of these witnesses.

20 (Pause.)

21 THE COURT: No, I'll allow it. You can cross  
22 Ms. Ricks, of course. I understand your objection to the  
23 other statements, but the other statements are by the court  
24 and let me explain to you the purpose, the context in which  
25 this evidence is being received.

1           One of the claims asserted by the plaintiff is that  
2 he was subjected to a malicious prosecution. One of the  
3 ingredients of that claim -- there are some other elements as  
4 well, for example, absence of probable cause, actual malice,  
5 but the element of that claim to which this evidence relates  
6 most directly is the requirement that the plaintiff prove that  
7 the prosecution he complains about was terminated favorably to  
8 him. He got a favorable termination of this claim that was  
9 brought in state court in which he was represented by  
10 Ms. Ricks.

11           This is the termination, this court proceeding  
12 memorialized as the judge's dismissal of the case. For that  
13 reason, it lays at the heart of the plaintiff's effort. He  
14 was then a defendant. He's now the plaintiff. It's in effort  
15 to prove his claim because the statements of the judge bear on  
16 whether or not this was a favorable termination. I'm going to  
17 allow it in. You'll consider it to that end. The objection  
18 is overruled. It's received.

1 EXAMINATION CONTINUES

2 BY MR. HOLLOWAY:

3 Q I would like to direct your attention, Ms. Ricks, to page  
4 three, line 18 through 20 of the transcript.

5 The second sentence is definitely past 30.30.

6 Do you have an understanding of what that means?

7 A Yes. There was argument made by myself on July 17th that  
8 the case should have been dismissed because the District  
9 Attorney had not provided the Court or myself with the  
10 necessary corroborating affidavits or the lab. The  
11 calculation by statute under article 30.30 of the criminal  
12 procedure law, Section 1(b), as in boy, indicates that on a  
13 misdemeanor charge, the District Attorney has 90 days or three  
14 months in order to provide that information. Therefore, being  
15 ready to proceed in trial or it has to be dismissed. The  
16 calculation was that it was over or past the 90-day time  
17 period as they had not provided the necessary documents to  
18 show reasonable cause to continue with their case, it was  
19 therefore dismissed.

20 Q After a case has been dismissed pursuant to 30.30, does  
21 it get sealed?

22 A Yes.

23 Q Was this case sealed?

24 A It was.

25 Q What does that mean?

GR

OCR

CM

CRR

CSR

Ri cks-cross-Brooks

282

1 A It means that it cannot be reentered into or reopened or  
2 any of the allegations that were brought under that particular  
3 docket unless there is a court order. It is as if it never  
4 occurred.

5 Q The charges then are completely dismissed?

6 A Yes, ma'am.

7 MS. HOLLOWAY: Thank you.

8 I have no more questions, Your Honor.

9 THE COURT: All right. Thank you, Ms. Holloway.

10 Mr. Brooks, would you care to cross this witness?

11 MR. BROOKS: Yes, Your Honor.

12 CROSS-EXAMINATION

13 BY MR. BROOKS:

14 Q Good afternoon, Ms. Ricks.

15 A Good afternoon.

16 Q My name is Jeffrey Brooks. I represent the defendants in  
17 this action.

18 Ms. Ricks, you are testifying here in response to a  
19 subpoena, is that correct?

20 A Yes.

21 Q Did you receive a witness fee in the amount of \$40?

22 A No, I have not.

23 Q Did you receive any compensation for being here today?

24 A No, none at all.

25 Q You are testifying here in your capacity as one of

Ricks-cross-Brooks

283

1 Mr. Robertson's criminal defense attorneys, is that correct?

2 A Yes.

3 Q You are an attorney with the Legal Aid Society; is that  
4 correct?

5 A I am.

6 Q The People of the State of New York were represented in  
7 Mr. Robertson's criminal case by the Kings County District  
8 Attorney; is that correct?

9 A Yes.

10 Q The Kings County District Attorney filed the criminal  
11 charges against Mr. Robertson, right?

12 A Yes.

13 Q After an accusatory instrument is filed, the criminal  
14 defendant has to appear at an arraignment, is that correct?

15 A Yes.

16 Q You were not Mr. Robertson's criminal defense attorney at  
17 that arraignment, is that correct?

18 A No. My colleague was.

19 Q So you weren't there at all, correct?

20 A No, not on the 16th.

21 Q So you have no knowledge of anything that occurred at the  
22 arraignment, correct.

23 A Incorrect. I do have knowledge of what occurred there.

24 Q That knowledge is simply that Mr. Robertson was  
25 arraigned?

Ricks-cross-Brooks

284

1 A Not simply that he was arraigned. But he was in fact  
2 arraigned, yes.

3 Q You became Mr. Robertson's criminal defense attorney with  
4 the charges from his April 16, 2006 arrest only after that  
5 case was combined with another criminal case, is that correct?

6 A It wasn't combined with another criminal court case.

7 MR. BROOKS: Your Honor, I am going to show the  
8 witness a document to hopefully refresh her recollection. I  
9 need just a moment to find the right page. This document was  
10 provided to plaintiff. I don't know whether they have given  
11 it an exhibit number at this time.

12 MS. HOLLOWAY: We have not, Your Honor.

13 (Pause.)

14 Q I am first going to show you the cover page of this  
15 document. It will demonstrate to you the date. I want to  
16 point it out to you.

17 A Yes.

18 Q Okay. I am going to show you the second page of this  
19 document. I will just have you read the section to yourself.

20 (Pause.)

21 Let me know when you are done.

22 A I am done.

23 Q Does that document refresh your recollection that  
24 Mr. Robertson's April 15th arrest was combined with an earlier  
25 arrest?

Ricks-cross-Brooks

285

1 A No, it wasn't combined. One case was put on the same  
2 date that another case was already pending.

3 Q Okay. That separate case against Mr. Robertson was  
4 pending in Brooklyn's Domestic Violence court?

5 A In DV-1, yes.

6 Q Mr. Robertson was on parole when he was arrested on  
7 April 14th, 2006, correct?

8 A Yes.

9 Q Mr. Robertson was also on parole while he was arrested on  
10 the charges in the separate case that was already pending in  
11 DV-1, correct?

12 A Yes.

13 Q Ms. Ricks, I am going to show you what has previously  
14 been marked as Plaintiff's 6-A. This document is in evidence,  
15 if I can find it.

16 Ms. Ricks, you testified earlier that you recognize  
17 this document, correct?

18 A I do.

19 Q You didn't write any of this document though, correct?

20 A No.

21 Q You were not present when any of this document was  
22 written, correct?

23 A No.

24 Q You were not present when any of the information  
25 contained in this document was provided to the person who did

Ricks-cross-Brooks

286

1 write this document, correct?

2 A No.

3 Q You have never discussed the creation of this document  
4 with anyone from the Kings County District Attorney's office,  
5 correct?

6 A I don't understand your question.

7 Q I will rephrase it.

8 You don't know why the Kings County District  
9 Attorney's office chose to file these particular charges  
10 against Mr. Robertson, correct?

11 A No.

12 Q Okay. That's the sole decision of the Kings County  
13 District Attorney's office, correct?

14 A Not entirely, Mr. Brooks. The reason the Kings County  
15 District Attorney filed these charges against Mr. Robertson is  
16 because Police Officers Sullivan and Prince made  
17 representations to the paralegal of the Kings County District  
18 Attorney's office and that's why the complaint was filed.

19 Q The District Attorney is the one who ultimately decides  
20 to file the charges, correct?

21 A Yes, based upon what the police or the complainant says.

22 Q Okay. Ms. Ricks, you earlier discussed New York Criminal  
23 Procedure Law Section 30.30 on your direct examination,  
24 correct?

25 A Yes.

Ricks-cross-Brooks

287

1 Q Section 30.30 requires the District Attorney to have a  
2 criminal case ready for trial within a certain time period,  
3 correct?

4 A Yes.

5 Q If a criminal case is not ready within that time period,  
6 it has to be dismissed, correct?

7 A Right.

8 Q To your knowledge, a case getting dismissed under 30.30  
9 might mean the District Attorney just ran out of time to  
10 prosecute it, correct?

11 A I don't know that that's what it would mean. I just know  
12 that the District Attorney had not done what needed to have  
13 been done by statute. The case was dismissed.

14 Q Okay. Like yourself, Kings County District Attorney  
15 might have more cases to prosecute than it can handle,  
16 correct?

17 A I don't know what they have. But they do have a lot of  
18 cases, yes.

19 Q Okay. A 30.30 dismissal doesn't necessarily have  
20 anything to do with an accused's innocence, correct?

21 A That's actually not necessarily true, Mr. Brooks.

22 Q The fact that it was dismissed pursuant to 30.30 just  
23 means the District Attorney ran out of time, right?

24 MS. HOLLOWAY: Objection, Your Honor.

25 A No.

1 THE COURT: Overruled.

2 Let her answer.

3 A No, it doesn't mean that the District Attorney ran out of  
4 time. It means that the District Attorney failed to do what  
5 was needed within the amount of time in order for the case to  
6 proceed.

7 Q Charges can be dismissed on 30.30 grounds even if a  
8 person might be guilty of the crimes, correct?

9 A I don't know about whether or not a person would be  
10 guilty of the charge. What I do know is that the statute in  
11 and of itself dictates if the District Attorney does not do  
12 something within a particular time period, then the case must  
13 be dismissed, yes.

14 Q It is possible for the District Attorney to have probable  
15 cause to prosecute a case but then the case just gets  
16 dismissed on 30.30 grounds?

17 A No. The law says that in order to have reasonable cause,  
18 you have to have a corroborating affidavit and here in this  
19 case a lab in order to be able to move forward because the  
20 complaint was not then sufficient without that.

21 Q You don't know the actual reason the District Attorney  
22 wasn't ready to proceed with this case, correct?

23 A The reason I know is that the District Attorney had not  
24 provided myself as counsel or the Court a corroborating  
25 affidavit by the complainants, here Officers Sullivan and

Ri cks-cross-Brooks

289

1 Prince, nor had they provided the lab report relative to the  
2 charges in the complaint.

3 Q You don't know why the district attorney didn't do  
4 anything, correct?

5 A No.

6 Q You can only therefore guess, correct?

7 A I wouldn't even venture to guess.

8 Q Okay. You also don't know that the April 14th arrest was  
9 the only reason for Mr. Robertson's parole getting violated,  
10 is that correct?

11 A I had communication with the parole attorney and that was  
12 the information that was given to me, it was as a result of  
13 the April 15th arrest.

14 Q The sole reason?

15 A As far as I recall, yes.

16 Q Mr. Robertson's parole was violated, correct?

17 A Yes.

18 Q That's a decision of the New York Board of Parole,  
19 correct?

20 A Yes. The Division of Parole, yes.

21 Q Right.

22 Isn't it possible that the only reason the District  
23 Attorney didn't continue prosecuting this case was that  
24 Mr. Robertson was already going to -- going back to prison for  
25 violating his parole?

1 A Not at all.

2 MS. HOLLOWAY: Objection.

3 THE COURT: Sustained.

4 Q Again, aside from the fact that the grounds of the  
5 dismissal was Section 30.30, you have no idea whatsoever why  
6 the DA allowed the case to be dismissed, correct?

7 A The reason the District Attorney had the case dismissed  
8 was that they failed to provide the necessary documents needed  
9 in order to continue with the case and therefore provide  
10 reasonable cause that my client actually committed the  
11 allegations that were alleged in the complaint.

12 Q Ms. Ricks, a parole warrant was issued for  
13 Mr. Robertson's arrest on April 24, 2006, correct?

14 A I don't know when the warrant was issued. I just know  
15 that he was picked up subsequently by parole.

16 Q Okay. Mr. Robertson was taken into custody based on that  
17 warrant, correct?

18 A Yes, sir.

19 Q So his being taken into custody was based on that warrant  
20 and not based on his April 14, 2006, arrest?

21 A No. Based upon my communication, it was my understanding  
22 that it was as a result of the arrest from the April 15th  
23 matter. That he was then placed in custody.

24 Q You weren't present for any of the discussions regarding  
25 the violation of his parole, correct?

2 Q So you don't actually know the reasons why his parole was

5 parole attorney that was present, that's the basis I have.

6 MR. BROOKS: Okay. I have nothing further, Your  
7 Honor.

8 THE COURT: Thank you, Mr. Brooks.

9 There is nothing further, is there?

10 MS. HOLLOWAY: Nothing further.

11 THE COURT: You are excused. Have a good day,

13 THE WITNESS: Thank you, sir.

15 THE COURT: Call your next witness.

16 MS. HOLLOWAY: Your Honor, we have no other  
17 witnesses. But we do have some documents that we would like  
18 to offer into evidence. There are a number for which  
19 defendants don't have any objection.

20 THE COURT: Okay.

21 MS. HOLLOWAY: There is just one matter about the  
22 photographs.

23 THE COURT: Yes.

7 THE COURT: Would you prefer a foundation to be  
8 laid?

9 MR. HARVIS: No. We are prepared to stipulate as to  
10 PX-33. As to the other ones, we would require a foundation.

11 THE COURT: All right. Call your witness.

12 MS. HOLLOWAY: I would like to call Eleanor Dorfman.

23 BY MR. HOLLOWAY:

24 Q Good morning, Ms. Dorfman.

25 A Good morning.

293

1 Q Are you currently employed?

2 A I am.

3 Q What is your job?

4 A I am a paralegal at Cravath, Swaine and Moore.

5 Q Have you had the opportunity before your testimony this  
6 morning to review the documents that have been previously  
7 marked Plaintiff Exhibits 30 through 39?

8 A I have.

9 MS. HOLLOWAY: I would like to mark these exhibits  
10 as a group for identification.

11 THE COURT: Okay.

12 Q Ms. Dorfman, were you present when these photographs were  
13 taken?

14 A I was.

15 Q When were they taken?

16 A February 4th, around noon.

17 Q I would like to show the witness.

18 THE COURT: Go right ahead.

19 MS. HOLLOWAY: Exhibit 30.

20 Q Ms. Dorfman, do you recognize the scene depicted in this  
21 photograph?

22 A I do.

23 Q Where is it?

24 A It's the southeast corner of Pitkin Avenue and Williams  
25 Avenue in Brooklyn. It's I believe on Pitkin Avenue.

Dorfman-direct-Holloway

294

1 MS. HOLLOWAY: Thank you.

2 I would like to offer this document into evidence?

3 THE COURT: It doesn't look like a corner to me. It  
4 looks like a storm drain. Is that where the storm drain is?

5 THE WITNESS: Yes. It is a couple of feet past the  
6 southeast corner.

7 THE COURT: It's on Pitkin?

8 THE WITNESS: Yes.

9 THE COURT: All right. Any objection?

10 MR. BROOKS: We do object to the introduction of  
11 this document.

12 THE COURT: On what ground?

13 MR. BROOKS: The fact that it isn't necessarily the  
14 storm drain that any evidence was recovered from.

15 THE COURT: Understood. It goes to the weight of  
16 the evidence. Not its admissibility.

17 Overruled.

20 MS. HOLLOWAY: I have marked for identification  
21 Plaintiff's Exhibit 31. I will show it to the witness.

22 MR. BROOKS: In light of Your Honor's ruling, we  
23 have no objection to any of the other photographs.

6 THE WITNESS: This is a photo of the southeast

9 THE COURT: From where?

10 THE WITNESS: From Williams.

11 THE COURT: That's 31.

13 Go ahead.

18 from Alabama, which is further west, and it is looking down  
19 Pitkin Avenue.

20 Q Which --

21 A It is looking west down Pitkin Avenue.

22 THE COURT: Received.

23 (Marked.)

24 Q Looking west on Pitkin Avenue from Alabama toward  
25 Williams?

1 A Yes.

2 This is from the same vantage point, just taken  
3 further into the middle of the intersection.

4 THE COURT: We are now looking at 33?

5 MS. HOLLOWAY: We are.

6 THE COURT: Plaintiff's 33.

7 MS. HOLLOWAY: This is Plaintiff's 33. It's already

2 THE WITNESS: February 4th.

3 THE COURT: Of this year?

5 THE COURT: The only day in February it wasn't  
6 snowing.

7 Q Speaking of which, there is some snow in this photograph.  
8 Plaintiff's Exhibit 37?

9 THE COURT: Received.

10 A This is a photo of a storm drain on the east side of  
11 Williams Avenue.

12 (So marked.)

13 Q Is it near the corner of Pitkin and Williams?

14 A Yes.

15 Q About how far away from the corner of Pitkin and Williams  
16 is the storm drain?

17 A A couple of feet.

18 Q Plaintiff's Exhibit 38?

19 THE COURT: 38 is received.

20 (So marked.)

21 A This is a photo of Williams Avenue taken from the  
22 southeast corner, the middle of the intersection.

1 I have one final photograph.

2 THE COURT: 39?

3 MS. HOLLOWAY: 39.

4 THE COURT: It is received.

5 (So marked.)

6 A This is a close-up of the storm drain on the east side of  
7 Williams Avenue.

8 Q Is that the storm drain that was in the photo that has  
9 been marked Plaintiff's Exhibit 37?

10 A Yes.

11 THE COURT: Can you put that up for one second?

12 MS. HOLLOWAY: Yes.

13 THE COURT: Is that inside the storm drain?

14 THE WITNESS: Yes.

15 THE COURT: I see. What did you do, hold the camera  
16 inside the opening to it and shoot it down?

17 THE WITNESS: Mr. Valdes did, yes.

18 THE COURT: All right.

19 MS. HOLLOWAY: If Your Honor would like to clarify,  
20 this is Plaintiff's Exhibit 37. This photo was taken from --  
21 from looking down at the storm drain here, correct?

22 THE WITNESS: Correct.

23 MS. HOLLOWAY: Thank you.

24 MR. GOLD: Just for the record, Your Honor, I am not  
25 sure that 29 and 30 actually were actually received.

Dorfman-direct-Holloway

299

1 MS. HOLLOWAY: Okay.

2 THE COURT: Are there other photos?

3 MS. HOLLOWAY: This was -- 29 is the map, which I --  
4 this is Plaintiff's Exhibit 30.

5 THE WITNESS: Which is the storm drain on Pitkin  
6 Avenue.

7 THE COURT: That's received.

8 (Marked.)

9 MS. HOLLOWAY: Finally, there are no more photos,  
10 but Plaintiff's Exhibit 29, which I can show to the witness.

11 Q Ms. Dorfman, do you recognize this document?

12 A I do.

13 Q What is it?

14 A It's a Google map's image showing the intersection of  
15 Williams and Pitkin Avenue.

16 Q Did you create this Google map image?

17 A I did.

18 MS. HOLLOWAY: I offer this into evidence.

19 THE COURT: You downloaded this off the Google map  
20 site?

21 THE WITNESS: Yes.

22 THE COURT: Any objection?

23 MR. BROOKS: No objection.

24 THE COURT: Received.

25 (29 is received in evidence.)

1 THE COURT: 29.

2 Is that it?

3 MS. HOLLOWAY: That's it for Ms. Dorfman.

4 THE COURT: Any cross?

5 MR. BROOKS: No, Your Honor.

6 THE COURT: You can step down.

7 Thank you.

8 (Witness excused.)

9 THE COURT: Did you have other documents you were  
10 going to offer in evidence or is that it?

11 MS. HOLLOWAY: I do.

12 MR. VALDES: Your Honor, this is a document that's  
13 been premarked Plaintiff's Exhibit 20.

14 THE COURT: Is there any objection to any of these?

15 MR. HARVIS: We don't know what all of them are, but  
16 not to this one, Your Honor.

17 THE COURT: Any objection to 20?

18 MR. HARVIS: No.

19 THE COURT: Received.

20 (So marked.)

21 MR. VALDES: Your Honor, this is a document that has  
22 been premarked as Plaintiff's Exhibit 7. We would like to  
23 offer it into evidence as well.

24 THE COURT: This is a certificate of disposition of  
25 the criminal case?

1 MR. VALDES: Exactly, Your Honor.

2 THE COURT: Any objection?

3 MR. BROOKS: No objection, Your Honor.

4 THE COURT: Received.

5 (So marked.)

6 MR. VALDES: This is a document that has been  
7 premarked Plaintiff's Exhibit 28 that we would like to offer  
8 into evidence as well.

9 THE COURT: What is this? Declaration of Detective  
10 Prince?

11 MR. VALDES: Yes. It was a declaration submitted  
12 with the defendant's summary judgment papers.

13 THE COURT: All right. Any objection?

14 MR. BROOKS: Your Honor, it's a three-page document,  
15 but we have no objection, other than it is cumulative of  
16 Detective Prince's testimony.

17 THE COURT: Overruled.

18 Received.

19 (So marked.)

20 MR. VALDES: Your Honor, this is an exhibit, a  
21 portion of Defendant's Exhibit X that the defendants had used  
22 yesterday. They had placed a Post-it note on a portion. We  
23 are now offering this into evidence.

24 THE COURT: Didn't I receive this yesterday?

25 MR. HARVIS: You did. I think just put the word

1 redacted over where the Post-It note was.

2 THE COURT: Fine. We will obviously substitute it  
3 for the exhibit I received yesterday.

4 Do you have many more of these documents?

5 MR. VALDES: I believe two more, Your Honor.

6 THE COURT: All right.

7 MR. VALDES: This also is a -- one page out of  
8 Defendant's Exhibit X that we would like to -- we have now  
9 marked exhibit -- Defendant's Exhibit X-3. We would like to

16 of that page?

17 MR. VALDES: Bates number on Defendant's Exhibit X-3

19 MR. BROOKS: Thank you.

20 MR. VALDES: Finally, this also is a page from  
21 Defendant's Exhibit X that we would like to offer into

8 from Plaintiff Robertson's April 16, 2006 arraignment.

10 MR. HARVIS: Yes, Your Honor.

11 THE COURT: Sustained.

12 MR. HARVIS: Thank you.

13 MS. HOLLOWAY: Nothing further.

14 THE COURT: All right. Anything further from the  
15 plaintiff or does the plaintiff rest?

16 MS. HOLLOWAY: The plaintiff rests, Your Honor.

17 THE COURT: All right. Let me see counsel at  
18 side bar, please.

19 (Side bar.)

20 THE COURT: Okay. Any motions?

21 MR. BROOKS: Your Honor, we do have a partial Rule  
22 50 motion. First on the malicious prosecution point. There  
23 has been no demonstration that the police officers initiated  
24 the prosecution as required by *Cooke v. Sheldon* at 41 F.3d 73.  
25 They didn't prepare or sign the accusatory instrument and

1 there is no evidence that the officers encouraged the  
2 prosecution to go forward.

3 Separate and apart from that, there is absolutely no  
4 evidence of any personal involvement by Sergeant Deglas or  
5 Detective Prince in initiating the prosecution against  
6 Mr. Robertson.

7 THE COURT: Who called the paralegal?

8 MR. BROOKS: Detective Sullivan.

9 THE COURT: Okay.

10 MR. BROOKS: I think the paralegal called him  
11 actually.

12 THE COURT: Right. So you are off the hook from  
13 malicious prosecution even if you maliciously and falsely talk  
14 to the DA and give him the information they need for a charge?

15 MR. BROOKS: Your Honor, Cooke v. Sheldon requires  
16 the officer sign the accusatory instrument which was not done  
17 here.

18 THE COURT: The answer is yes? As long as they  
19 don't sign it, as long as they get the paralegal to sign it,  
20 they can falsely and maliciously provide information that will  
21 get somebody jailed, in some case for years?

22 MR. BROOKS: The District Attorney probably has an  
23 obligation to investigate that sort of testimony before they  
24 swear out a statement.

25 THE COURT: If you are right about that, we will --

1 it will work itself out post-verdict. I am not going to  
2 dismiss on that ground.

3 What is your answer to the personal involvement of  
4 the other two defendants?

5 MS. HOLLOWAY: Officer Prince also is -- provided  
6 information to paralegal Woods as per the accusatory  
7 instrument. Says she was informed by declarant Prince and  
8 there are statements made in the -- in that instrument, that  
9 she obtained some information from Officer Prince about the  
10 facts relating to the incident upon which the accusatory  
11 instrument was based.

12 THE COURT: What about Deglas?

13 MS. HOLLOWAY: With regard --

14 THE COURT: Excuse me. Who was in charge?

15 MR. HARVIS: Charge of what?

16 THE COURT: These three guys that night.

17 MS. HOLLOWAY: Deglas.

18 MR. HARVIS: Deglas was the supervisor.

19 THE COURT: I am going to deny the motion. We can  
20 sort it out post-verdict if you get an adverse verdict on the  
21 malicious prosecution.

22 Any other?

23 MR. BROOKS: The failure to intervene claim. There  
24 is no testimony that has been offered that any of the officers  
25 had a reasonable time to intervene as required by cases like

1 Jean-Laurent versus Wilkinson and it is at 540 F. Supp 2d,  
2 501.

3 THE COURT: Okay. Denied.

4 MR. BROOKS: Finally, Your Honor, we would also move  
5 on qualified immunity grounds for all three officers as to the  
6 unreasonable stop and the malicious prosecution.

7 THE COURT: All right. That's inextricably bound up  
8 in the facts of the case. It doesn't seem to me appropriate  
9 to grant that as a matter of law.

10 Your motion is denied.

11 Are you ready with your defense case?

12 MR. HARVIS: We are, yes.

13 THE COURT: Let's go.

14 MR. HARVIS: Your Honor, the -- a bathroom break,  
15 Your Honor?

16 THE COURT: You can't go ten minutes?

17 MR. HARVIS: Sure.

18 (In open court.)

19 THE COURT: Okay. We are at the point I said we'd  
20 get to, where the plaintiff has rested his case. Now the  
21 defendants have an opportunity to present evidence in defense  
22 of the claims, which we will start right now.

1 defendant did push upon, strike and hit and that the defendant  
2 did swing defendant's arm and kick at the informed in order to  
3 prevent an arrest?

4 A Yes.

5 Q Did you inform Imani Woods the information you see here?

6 A No.

7 Q Your testimony is that Imani was incorrect that she was  
8 informed by you?

9 A She was informed by Detective Sullivan.

10 Q Paralegal was incorrect when she said she was informed by  
11 you?

12 THE COURT: Don't do that. Your testimony is you  
13 didn't speak to her, correct?

14 THE WITNESS: Yes, your Honor.

15 THE COURT: Don't have him comment on whether  
16 someone else, right or wrong, but you could elicit the facts,  
17 argue.

18 MS. HOLLOWAY: Very well, your Honor.

19 Q Going back to your affidavit, Officer Prince, is it your  
20 testimony today that Mr. Robertson began to run the moment you

Prince-cross-Holloway

334

1 A Correct.

2 Q I would like to direct your attention to paragraphs 8

5 approached him on foot and ordered him to turn around and  
6 place his hands on the wall?

7 A I'm aware it's his testimony?

8 Q Yes.

9 A No, I'm not.

10 THE COURT: Sustained.

11 Q I would like to direct your attention specifically to

14 place his hands on the wall behind him, you see that?

15 A Yes.

16 Q Did he run the moment you got out of the car or after you  
17 ordered him to turn around?

18 A The moment I got out of the car.

19 Q This statement in your affidavit is incorrect?

20 A During the time of this affidavit, this was correct.

21 Q I don't believe I understand your testimony, Officer  
22 Prince. You say it was correct, what do you mean?

23 A Well, I signed the affidavit, states on line ten I got  
24 out of the vehicle, ordered Mr. Robertson to turn around,  
25 place his hands on the wall behind him.

Prince-cross-Holloway

335

1 Q That's not your testimony today, correct?

2 A Yes, because I don't recall.

3 Q I would like to direct your attention to Paragraph 17 of  
4 your affidavit. This is the paragraph Mr. Brooks directed you  
5 to, at no time was Mr. Robertson struck with a baton by any  
6 officer present, you see that?

7 A Yes.

8 Q Is it your testimony today that you're not sure one way  
9 or the other whether a baton was used on Mr. Robertson?

10 A It's my testimony today, to my knowledge a baton wasn't  
11 used.

12 Q But this is a definitive statement a baton wasn't used,  
13 correct?

14 A Yes.

15 Q I would like to show you Plaintiff's Exhibit 11 which has  
16 previously been received into evidence, the second page of  
17 Plaintiff's Exhibit 11, specifically to the box about a  
18 quarter of the way down the page, says "force used."

19 MS. HOLLOWAY: How do I clear --

20 THE COURT: Press the lower right-hand corner.

21 MS. HOLLOWAY: Thank you, your Honor.

22 Q To the box that says "force used," if I could pull it up.  
23 You see here -- first of all, do you recognize what this  
24 document is, Officer Prince?

25 A Yes.

Prince-cross-Holloway

336

1 Q What is it?

2 A I believe it's either an Omni form arrest report or  
3 complaint. I'll not sure.

4 Q Do you see in the section of this report that we pulled  
5 up there's a box under "force used." It's checked yes?

6 A Yes.

7 Q There's a box for type of force used and physical force  
8 and baton are both checked?

9 A Yes.

10 Q That indicates that according to the preparer of this  
11 report a baton was used during the arrest of Mr. Robertson,  
12 correct?

13 A Yes, ma'am.

14 Q Did you review this arrest report before your affidavit  
15 was prepared?

16 A No.

17 Q Did you review any of the underlying reports or paperwork  
18 regarding Mr. Robertson's arrest before your affidavit was  
19 prepared and it was submitted to this court?

20 A No.

21 Q You testified that you were struggling with  
22 Mr. Robertson, correct?

23 A Yes.

24 Q It was your testimony at no time did you or any other  
25 officer strike or choke Mr. Robertson, correct?

Prince-cross-Holloway

337

1 A Correct.

2 Q Is it that you don't remember whether he was struck or  
3 choked, or it's your testimony he wasn't struck or choked by  
4 any of the officers present?

5 A It's my testimony that he wasn't choked or struck in the  
6 back of the head, yes.

7 Q Are you aware that in his deposition, Sergeant Deglas  
8 testified that you were fighting, striking one another at one  
9 point?

24 wearing a jacket, a raid jacket that said NYPD?

Prince-cross-Holloway

338

1 practice for me.

2 Q You don't know one way or the other whether you were  
3 wearing a raid jacket?

4 A It's a possibility. It's my own practice.

5 Q If you were not wearing a raid jacket, was there anything  
6 about your appearance other than the badge you testified was  
7 hanging around your neck that would indicate you were a  
8 New York City Police Officer?

9 A No.

10 Q Do you recall being deposed by me in December of last  
11 year, Officer Prince?

12 A Yes.

13 Q During that deposition, did you give any testimony about  
14 this raid jacket that you now recall possibly wearing that  
15 evening?

16 A No.

17 Q What was it that refreshed your recollection between the  
18 time you were deposed in December of 2009 and today regarding  
19 this possible raid jacket?

20 A Because I was wearing one in practice in anti-crime to  
21 wear a raid jacket. The reason that was my practice to wear a  
22 raid jacket, it's because of the geographical area.

23 Q You weren't wearing a raid jacket that night, were you?

24 A There's a possibility I was wearing a raid jacket, yes  
25 because of my own practice.

Prince-cross-Holloway

15 the Organized Crime Investigative Division.

16 Q What rank did you hold before becoming a detective?

17 A I was a police officer.

18 Q How long were you a police officer for?

19 A I believe, six-and-a-half years.

20 Q Where are you currently assigned as a sergeant?

21 A I am assigned to the Central Robbery Section of the  
22 Special Investigations Division. That's part of the Detective  
23 Bureau.

24 Q What are your responsibilities in your current  
25 assignment?

1 A I am currently the commanding officer of the Taxi Squad.  
2 We are responsible for robbery patterns concerning taxis,  
3 liveries.

4 Q How many people do you supervise in that capacity?

5 A I have four at the moment, four detectives.

6 Q Sergeant Deglas, I am now going to focus your attention  
7 on the events of April 14, 2006.

8 Do you recall the events of April 14, 2006?

9 A Yes, sir, I do.

10 Q What rank did you hold on April 14, 2006?

11 A I was a sergeant at that time.

12 Q Were you working that day?

13 A Yes, I was.

14 Q What command were you assigned to?

15 A I was assigned to the 75th Precinct, in East New York,  
16 Brooklyn.

17 Q What unit were you assigned to within the 75th Precinct?

18 A I was assigned to the Anticrime Unit.

19 Q What were your responsibilities within that unit?

20 A I was the Anticrime supervisor. I was the Anticrime  
21 sergeant.

22 Q Just briefly, what are the responsibilities of officers  
23 in the Anticrime Unit?

24 A The Anticrime Unit is primarily responsible for  
25 suppressing violent street crime. That would include gun

1 possession, robberies, assaults, burglaries; any felony crime  
2 really.

3 Q What were you wearing on April 14, 2006?

4 A I was wearing plain clothes.

5 Q Why were you in plain clothes?

6 A Anticrime units perform their duties in plain clothes.

7 Q Were you wearing anything that identified you as a police  
8 officer?

9 A No, other than a shield which I had around my neck but it  
10 wasn't exposed at that time.

11 Q What was your shield number on April 14, 2006?

12 A The same as it is today, 1647.

13 Q Who were you directly supervising on April 14, 2006?

14 A At the time it was Police Officer Prince and Police  
15 Officer Sullivan.

16 Q What did the three of you do during your tour of duty on  
17 April 14, 2006, generally?

18 A We were patrolling within the confines of the  
19 75th Precinct.

20 Q What sort of vehicle were you on parole in?

21 A We were in an unmarked car. It was -- I believe black in  
22 color with tinted windows.

23 Q What was Detective Sullivan's assignment that night?

24 A He was the operator of the vehicle.

25 Q What does the operator do?

Deglas - direct - Brooks

357

1 A He is the driver.

2 Q And what was Detective Prince's assignment that night?

3 A He was the recorder, the front seat passenger.

4 Q What does the recorder do?

5 A Typically the recorder is responsible for any  
6 administrative matters to take care within the tour. If a  
7 radio assignment would come over, he would write it down or  
8 any descriptions come over because obviously the driver can't  
9 be concerned with doing that while he is operating the  
10 vehicle.

11 Q Where were you seated in the vehicle?

12 A I was seated directly behind Police Officer Prince. I  
13 was the right rear passenger.

14 Q Did there come a time where you were on patrol in the  
15 vicinity of Williams Avenue and Pitkin Avenue in East  
16 New York?

17 A Yes.

18 Q Approximately what time of day was it when you reached  
19 that vicinity?

20 A Approximately a quarter to one, twenty to one. I don't  
21 recall the exact time.

22 Q On April 15th?

23 A Yes, it would have been April 15th at that moment.

24 Q What street were you traveling down when you reached that  
25 vicinity?

1 A Initially we were traveling on Pitkin Avenue, approaching  
2 Williams Avenue.

3 Q Were the windows in your vehicle down?

4 A My window was maybe a quarter of the way down; Police  
5 Officer Prince was three quarters to all the way down; and  
6 Police Officer Sullivan, his window was all the way down.

7 Q How do you know that they were down?

8 A Because I was actually -- it was a cold night and several  
9 times during that evening I had -- I asked both of them to put  
10 the windows up because if you've ever sat in the window -- in  
11 the rear seat of a car with both windows open on a cold night,  
12 it gets very, very cold.

13 Q Why generally were the windows down in the vehicle?

14 A It is just to facilitate the detection and observation of  
15 crime. I mean, it's -- I would also tell them not to put on  
16 the radio so that you could actually hear better and since the  
17 window -- the windows on this vehicle were tinted and it is  
18 night, it's much easier to see with the windows down.

19 Q Could you briefly describe for the jury what the area in  
20 the vicinity of Pitkin and Williams was like on April 14,  
21 2006?

22 A Yes.

23 That particular area is an industrial area. It's  
24 all -- comprised primarily of commercial establishments,  
25 parking lots, small factories. The area is fairly well-lit by

1 street lights and by building lights.

2 Q To your knowledge, were there any businesses open near  
3 the corner of Pitkin and Williams at that point?

4 A No, there weren't.

5 Q Where is the nearest subway stop?

6 A Four to five blocks west of that location.

7 Q To your knowledge, were there any buses running in that  
8 vicinity at that time of night?

9 A I didn't see any, no.

10 Q Did there come a time in the evening of April 14, 2006,  
11 or the very early morning hours of April 15th, that you became  
12 aware of the plaintiff Dwayne Robertson?

13 A Yes.

14 Q What first draw your attention to Mr. Robertson?

15 A It was a comment made by either Police Officer Prince or  
16 Police Officer Sullivan, to the effect of oh, I think that guy  
17 is smoking. Let's check him out. Those weren't the exact  
18 word. It was words to that effect.

19 Q When you say they said he was smoking, what was your  
20 understanding of what Mr. Robertson was smoking?

21 A I really wasn't sure at the time.

22 Q What happened next?

23 A We were initially proceeding eastbound on Pitkin Avenue  
24 approaching Williams Avenue. When that comment was made,  
25 Police Officer Sullivan made a U-turn with the vehicle so that

1 now we were going westbound on Pitkin and he started to cross  
2 into the eastbound lane of traffic. So he crossed the double  
3 yellow line on Pitkin so that now we were pulling almost  
4 parallel with Mr. Robertson as he was walking southbound on  
5 Pitkin approaching Williams Avenue.

6 Q What was Mr. Robertson doing when you first saw him?

7 A When I first observed him, he was walking at a brisk  
8 pace. He was simply walking.

9 Q What happened next?

10 A At that point, as we drew closer to him, Police Officer  
11 Sullivan, who had his window down, engaged him and said  
12 something to the effect of yo, my man, police. Can we talk to  
13 you for a minute?

14 Q What did Mr. Robertson do in response to that comment?

15 A I don't know if he said anything. But it seemed to me  
16 that he immediately started to run.

17 Q What did your officers do in response to that?

18 A Police Officer Prince exited the front seat of the car  
19 and he started to -- he initiated foot pursuit with  
20 Mr. Robertson. So, in other words, he was chasing  
21 Mr. Robertson as Mr. Robertson was running southbound on  
22 Williams Avenue.

23 Q Did you hear Detective Prince say anything?

24 A I didn't hear anything, no.

25 Q Is it possible he said something and you couldn't hear

1 i t?

2 A I t's entirely possible. But I was still in the vehicle  
3 at that juncture so I don't know.

4 Q Which way did Mr. Robertson run?

5 A He made a left turn from Pitkin Avenue southbound on to  
6 Williams Avenue.

7 Q Did you observe Detective Prince chase Mr. Robertson?

8 A I observed the initial moments of the chase but as the  
9 chase commenced, I told Police Officer Sullivan to drive past  
10 Mr. Robertson in order to cut off his avenue of escape.

11 Q What did you see Mr. Robertson do during those initial  
12 moments?

13 A I -- I saw what appeared to be a motion with his right  
14 elbow coming up from his right area, from either his right  
15 jacket pocket or from his right waistband, but it was -- it's  
16 a momentary glimpse that I got because as the car sped off to  
17 cut him off, that's -- at that point he was at the side and  
18 then suddenly behind me. So I didn't see too much. But I did  
19 see his elbow come up.

20 Q How far away was he from you when he reached for his  
21 waist?

22 A At the most, car length, a car length away.

23 Q What did you think when you saw him reach for his waist  
24 in that manner?

25 A Oh, in my experience, and I have been doing this a long

1 time, those actions are fairly typical of somebody who is  
2 trying to remove something, contraband or weapon, from their  
3 person. Usually what happens at that point, it is not  
4 necessarily that they want to use it against the officer.  
5 They want to get rid of it.

6 I could tell you right now that I got scared at that  
7 moment because I have been in those situations where people  
8 have drawn weapons, have actually had weapons in their hand,  
9 in the vicinity. It is not a good feeling.

10 Q Did you see what Mr. Robertson did with whatever he may  
11 have reached for in his waist?

12 A I really didn't, no.

13 It looked like a dark object came out and went to  
14 the ground. But, again, the car was moving fast at that point  
15 so I really -- I can't say for sure.

16 Q What did you see once Detective Sullivan had pulled the  
17 car in front of Mr. Robertson?

18 A As soon as I got out of the car, I think I got out before  
19 Police Officer Sullivan even put the car in park, I stood up  
20 and I looked northbound on to Williams Avenue and I observed  
21 Police Officer Prince and Mr. Robertson rolling around the  
22 street, clearly engaged in a fight, in a struggle.

23 Q Could you describe for the jury the struggle between  
24 Detective Prince and Mr. Robertson?

25 A They were rolling around. At one point I saw

Degl as - di rect - Brooks

363

1 Police Officer Prince on one knee. Then he was on two knees.  
2 He was trying to hold him down. Mr. Robertson was pushing  
3 away, to get up. It looked to me like they were exchanging  
4 blows. They were clearly involved in a fight.

5 Q What did you do once you observed that struggle?

6 A As soon as I saw that, I -- it became apparent that I had  
7 to render assistance to my officer. So I -- as I was --  
8 started running over. Even as I was out of the car, I took  
9 the baton out of my holster. I deployed it. Which I extended  
10 it to its full length. I started to run over to their  
11 position.

12 Q When you said you deployed it, you indicated a downward  
13 stroke with your hand?

14 A Yes, as I was running.

15 Q When you said that you saw Detective Prince and  
16 Mr. Robertson possibly exchanging blows, did you ever see  
17 Detective Prince strike Mr. Robertson in the head?

18 A No. I can't say that I did, no.

19 Q Were you carrying a gun that evening?

20 A Yes.

21 Q What kind of gun were you carrying?

22 A I was actually carrying two guns that evening. They were  
23 both two-millimeter Glocks. I had my service weapon and my  
24 backup weapon on me too.

25 Q Those are all pistols?

Deglas - direct - Brooks

364

1 A Yes.

2 Q Did you draw any of those guns?

3 A No.

4 Q Why didn't you draw your guns?

5 A I didn't feel that -- at that moment that it rose to that  
6 level.

7 Q Were you carrying mace that evening?

8 A Yes, I was.

9 Q Why didn't you use mace on Mr. Robertson?

10 A Because by -- when I reached their position, had I used  
11 mace on Mr. Robertson, chances are I would also have maced  
12 Police Officer Prince because the mace tends to dissipate.

13 Q What did you do after you deployed your baton?

14 A When I got up to the position, they were still fighting.  
15 Mr. Robertson's head was facing northbound on Williams. His  
16 feet were closer to me, his legs. Police Officer Prince had  
17 his back partially to me but he wasn't looking at me.  
18 Obviously he was concentrating on Mr. Robertson at that point.  
19 I had the nightstick fully deployed. I struck Mr. Robertson  
20 twice in the thigh, on his left thigh.

21 Q Did you give Mr. Robertson any orders before you struck  
22 him with the baton?

23 A No.

24 The -- the only thing I said in conjunction with the  
25 strikes was that stop resisting. I said it maybe three or

1 four times. I yelled it as loud as I could.

2 Q Why didn't you give him any orders before you struck him  
3 with the baton?

4 A There simply wasn't time. He was involved in an active  
5 struggle with my officer. My biggest concern regardless of if  
6 he had a gun or not was I knew for a fact that police  
7 officer -- I mean, Police Officer Prince had a gun on him.  
8 There is always a very real possibility when a police officer  
9 is actively engaged with a -- in a fight with somebody that  
10 gun could be taken away from him.

11 Q Sergeant Deglas, do you have your baton with you here  
12 today?

13 A Yes, sir.

14 Q It is the same baton that you had on April 14, 2006?

15 A The very same one; I've had this baton since 1998.

16 Q Could you, with Your Honor's permission, stand up and  
17 demonstrate on your leg where exactly you struck Mr. Robertson  
18 with the baton?

19 A Yes.

20 THE COURT: Yes, you can do so.

21 A The area that I struck him in is the area located between  
22 the knee and the hip, directly into this nerve center right  
23 here. The effect that it has, when this is struck, it  
24 contracts the muscles involuntarily. If you've ever had a  
25 dead leg or Charlie horse you know that feeling.

Deglas - direct - Brooks

366

1           So what happens is, it delivers a lot of pain to the  
2 area. It is a temporary pain. It dissuades whoever is  
3 fighting, it makes them think twice about continuing the  
4 struggle. That was my intent there, to end the struggle  
5 immediately before anybody got hurt.

6 Q Did you ever strike Mr. Robertson in the head?

7 A No.

8 Q Why not?

9 A Because this is effectively a metal pipe. It's a hollow  
10 metal pipe. If I was to strike anybody in the head,  
11 Mr. Robertson, probably would have fractured his orbital  
12 socket with no problem. So no, head strikes are completely  
13 prohibited by the New York City Police Department with batons.

14           The designated strike areas are in the arms and the  
15 legs and large muscle mass groups.

16 Q Let the record reflect when the sergeant was giving that  
17 answer he was showing the jury the expanded baton.

18           How long did you strike Mr. Robertson for?

19 A I would say, just one second.

20           There were two rapid strikes in succession. That's  
21 really all that was needed because he immediately complied  
22 after that. He didn't -- no longer struggled.

23 Q How long was it from you initially deploying your baton  
24 to your striking Mr. Robertson?

25 A It was a matter of seconds. By the time I got out of the

Deglas - direct - Brooks

367

1 car to the time I reached him, the distance would be less than  
2 from the witness stand to where you are standing, sir.

3 Q What did Mr. Robertson do after you had struck him with  
4 the baton?

5 A He brought his knees up to his chest. He brought his  
6 elbows in and he tried to turn over. He was trying to protect  
7 himself. Obviously he thought more strikes were coming.

8 Once I saw that, I saw the opportunity to handcuff  
9 him and end the struggle, which at that point Police Officer  
10 Prince was trying to get his arm behind his back. I was  
11 trying to do the same thing. By then Police Officer Sullivan  
12 had already joined us. So it took the three of us to handcuff  
13 him.

14 Q What did you do with your baton after you struck  
15 Mr. Robertson?

16 A Before I was -- I even tried to get the handcuffs on him,  
17 I collapsed the baton. The way you collapse it is you hit it  
18 against a hard surface.

19 Your Honor, if you -- I can demonstrate? If you  
20 feel it is necessary?

21 THE COURT: Any objection?

22 MS. HOLLOWAY: No objection.

23 THE COURT: Go ahead.

24 A This night -- it might not immediately because it is a  
25 carpet. You just strike it to the ground and it goes back to

Deglas - direct - Brooks

368

1 its original state and I put it back into my holster to have  
2 my hand free so I could actually handcuff or aid in the  
3 handcuffing of Mr. Robertson.

4 So the whole process, from the deployment to  
5 striking to collapsing is very, very fast. I could probably  
6 do it in two seconds.

7 Q Who actually handcuffed Mr. Robertson?

8 A I -- I don't know. It was a collaborative effort at that  
9 point. Typically, handcuffing somebody who doesn't want the  
10 be handcuffed is not always easy. Clothing gets in the way.  
11 You know, its -- it's not textbook.

12 Q What did you observe after -- sorry. Withdrawn.

13 What did you do after the handcuffs were on  
14 Mr. Robertson?

15 A At that point I think we all kind of like stood up and I  
16 just took a breather because we had all -- Police Officer  
17 Prince was -- obviously a little tired at that point. We all  
18 were.

19 I recall after that there was a -- a preliminary  
20 search done to make sure he wasn't armed, he had no knife or  
21 gun or anything else that might hurt is. At that point he was  
22 on his stomach, handcuffed, and I turned my attention to  
23 Police Officer Prince who was holding up his wrist and he was  
24 circling it around. I said Niles, are you all right. He  
25 said -- his actual words to me were no, boss, I think I hurt

Deglas - direct - Brooks

369

1 my wrist. I said okay. We'll take care of that.

2 Then I turned my attention to Mr. Robertson who was  
3 lying in front of me. I noticed some drops of blood forming  
4 underneath his eye, on to the pavement, directly beneath his  
5 head.

6 Q At that point was Mr. Robertson conscious?

7 A Yes. He was conscious, yes.

8 Q Do you know what caused the drops of blood to form?

9 A Well, he had sustained an injury. At that point I  
10 remember that we turned him over and sat him up. I could  
11 clearly see that he had a cut and that there was blood coming  
12 from that wound.

13 Q Where was that cut located?

14 A Directly above his -- in his eyebrow area, above his left  
15 eye.

16 Q Could you see how big the cut was at that point?

17 A No. It was obscured by the blood. I really couldn't  
18 tell how big it was.

19 Q What happened next?

20 A At that point I -- now we had an injured prisoner. Once  
21 he's in our custody, it's our responsibility to provide  
22 treatment for him. So I made mention -- what I said was, we  
23 got to get him a bus. A bus in police jargon is an ambulance.  
24 I knew that we had to get him medical attention. I also knew  
25 that Police Officer Prince was injured. I knew he would have

1 to get medical attention. So all these things were going  
2 through my mind at this point.

3 Q Did there come a time where you became aware that  
4 Detective Prince had observed Mr. Robertson throw away an  
5 object?

6 A Yes. At some point there was a conversation about that.  
7 I directed Police Officer Prince to go back to the area, which  
8 he did, and I was still talking with Police Officer Sullivan  
9 at that point and I told him I said, Matt, go help him out.  
10 See -- I could see that he wasn't -- he couldn't immediately  
11 find what he was looking for. I remained with Mr. Robertson,  
12 who -- and I could still see my two officers on the corner.  
13 They were on the southeast corner looking for something.  
14 Eventually they came back.

15 Q How long did that take them?

16 A I -- I really don't know. It took a minute, maybe two at  
17 the most. I am not sure.

18 Q What to your knowledge, did they find?

19 A When they came back, Police Officer Sullivan came back  
20 with -- I remember in one hand he had some crumpled up -- it  
21 looked to me like one glove, crumpled up, and then he had bags  
22 of marijuana in the other hand. He showed me what it was. I  
23 said okay. Let's wrap this up. Let's get out of here. At  
24 this point I just wanted to get him back to the precinct and

1 Q When you say him, who are you referring to?

2 A The plaintiff, Mr. Robertson.

3 Q Was Mr. Robertson conscious throughout all of this?

4 A Yes, the entire time.

5 Q What did his demeanor seem to you to be?

6 A Well, he appeared to me to be intoxicated because  
7 he -- all he kept saying was what happened, what did I do,  
8 what happened, what did I do. He kept saying it over and  
9 over, to the point where I just tuned him out. I just wanted  
10 to get him back to the precinct. I really didn't want to  
11 listen to him anymore.

12 Q What happened once you got back to the printing?

13 A Once we got back to the precinct, I immediately went  
14 behind the desk and I had Mr. Robertson's pedigree  
15 information. I entered that into the Command Log so there was  
16 a record of the arrest and he was brought to the station  
17 house. I believe in fact on the way to the precinct I had  
18 already requested an ambulance be dispatched to the precinct.

19 Q So Mr. Robertson eventually went to the hospital?

20 A Yes. Eventually he went to the hospital, yes.

21 Q Do you know which hospital he went to?

22 A Yes.

23 Q What hospital is that?

24 A Brookdale Hospital.

25 Q Did you go with Mr. Robertson to the hospital?

Degl as - di rect - Brooks

372

1 A No, I did not.

2 Q What did you do?

3 A I eventually went to Jamaica Hospital with Police Officer  
4 Prince.

5 Q How long were you at the hospital with Detective Prince  
6 for?

7 A We were there for a while. The biggest problem was  
8 getting the X-ray technician. So I would say, an hour and a  
9 half, two hours.

10 Q Where did you go after the hospital?

11 A We returned to the precinct.

12 Q Are you aware that Detective Sullivan completed the  
13 arrest paperwork for Mr. Robertson?

14 A Yes. By the time we got back from the hospital, he had  
15 already done that, yes.

16 Q Did you review that paperwork?

17 A Yes, I did.

18 Q What paperwork did you review?

19 A There was a complaint report, an arrest report, a  
20 property clerk's invoice, and there might have been two  
21 property clerk's invoices, and some other paperwork which I  
22 don't really remember at this time.

23 Q Was in your opinion Detective Sullivan's paperwork  
24 consistent with what happened during the incident?

25 A Prior to leaving to the hospital I had discussed with

1 Police Officer Sullivan the charges that we would eventually  
2 bring against Mr. Robertson and I was satisfied that the  
3 outlines that I had given to him were met. So I signed off on  
4 the paperwork.

5 Q Sergeant Deglas, what happens to drugs when they are  
6 recovered from the scene of an arrest?

7 A A voucher is prepared, a full description of the item is  
8 entered on to the property clerk's invoice. The narcotics or  
9 the marijuana is placed into a narcotics envelope and then it  
10 is sealed up. It is placed into a narcotics locker, where  
11 eventually it is taken to the lab, the police lab for  
12 examination.

13 Q Do you as a sergeant transport the drugs to the lab?

14 A No, no.

15 Q Would the officers under your direct supervision that  
16 might have responsibility for transporting the drugs to the  
17 lab?

18 A No.

19 Q Do you as a sergeant have access to the locker in which  
20 those drugs are kept before they are transported to the lab?

21 A Only if I am assigned as the Desk Officer. So in other  
22 words, the -- the supervisor, the lieutenant or the sergeant  
23 who is behind the desk is responsible for narcotics.

24 Q That was not your assignment that evening, correct?

25 A No. I was the Anticrime supervisor.

1 Q Do you as a sergeant perform chemical tests on drugs  
2 recovered at the scene of an arrest?

3 A I did not that night, no.

4 Q Would the police officers under your direct supervision  
5 that night have been responsible for performing chemical lab  
6 tests on the drugs recovered that evening?

7 A The only way you can actually perform those tests is if  
8 you are qualified to do so. So in other words, you have to  
9 receive the training to do so. When I was in narcotics I was  
10 qualified. Once I got promoted that qualification ended. So  
11 I had to get retrained. So I was not eligible to do it.

12 As far as I know, neither Police Officer Prince or  
13 Police Officer Sullivan were trained at that time to do it.

14 Q Do you have the authority to order the drugs be  
15 destroyed?

16 A Absolutely not.

17 Q Did you ever speak with anyone from the Kings County  
18 District Attorney's office regarding the arrest of  
19 Mr. Robertson?

20 A No, sir, I did not.

21 Q Were you ever contacted by anyone from the District  
22 Attorney's office regarding Mr. Robertson?

23 A No, sir, I wasn't.

24 Q Did you ever encourage anyone from the District  
25 Attorney's office to proceed with the prosecution of

1 Mr. Robertson?

2 A No.

3 Q Did you ever testify in Criminal Court about  
4 Mr. Robertson's arrest?

5 A No.

6 Q Do you know the outcome of the charges against  
7 Mr. Robertson?

8 A I didn't find out the outcome of the charges until the  
9 start of this litigation.

10 Q Prior to April 14, 2006, had you ever seen Dwayne  
11 Robertson before?

12 A Never.

13 Q Since April 15, 2006, and outside of this courtroom, have  
14 you ever seen Mr. Robertson?

15 A No.

16 Q At any time during the April 14, 2006 incident, did you  
17 observe Detective Prince choke Mr. Robertson?

18 A Choke, no.

19 Q Did you ever choke Mr. Robertson?

20 A No, I didn't.

21 Q At any time during the incident did you observe Detective  
22 Prince strike Mr. Robertson in the head?

23 A I can't say that I did. I know that they were actively  
24 engaged in a struggle but I didn't see specifically  
25 where -- where he struck Mr. Robertson or where Mr. Robertson

2 Q At any point during the -- the struggle with

5 Q At the time during the struggle with Mr. Robertson, did  
6 you punch him?

7 A No, I did not.

8 Q At any time during the struggle with Mr. Robertson, did  
9 you strike Mr. Robertson in the head with your baton?

10 A Absolutely not.

9 CROSS-EXAMI NATION

10 BY MS. HOLLOWAY:

11 Q Good afternoon, Sergeant Degl as.

12 A Ms. Hol l oway.

13 Q You testified earlier that you didn't make the deci sion  
14 to approach Mr. Robertson; is that correct?

15 A That's correct.

16 Q It was Mr. Sull ivan who made the deci sion to approach  
17 Mr. Robertson?

18 A Yes.

19 Q It was your understanding that deci sion was made because  
20 Officer Sull ivan observed Mr. Robertson smoking something,  
21 correct?

22 A The comment that was made was -- I don't remember who  
23 said i t, was "Let's check out that guy. I think he's smoking  
24 something."

25 Q But i t is your current understanding that mariju ana

1 cigarette was the reason for your approach of Mr. Robertson  
2 that evening, correct?

3 A Yes, although at the time I didn't know.

4 Q But at the time Officer Sullivan did say something in the  
5 car to the effect let's go talk to that guy, I think he's  
6 smoking something, correct?

7 A Yes, we didn't have a whole conversation about it. A  
8 short amount of time elapsed between their initial visual  
9 contact with Mr. Robertson and our actual physical contact.

10 Q As your car approached Mr. Robertson, got closer to  
11 Mr. Robertson, you didn't yourself see any cigarette or any  
12 marijuana cigarette that Mr. Robertson may have been smoking,  
13 did you?

14 A No, I did not.

15 Q In fact, you didn't ever see or smell any marijuana  
16 cigarette, did you?

17 A My position in the right rear of the passenger seat with  
18 the window closed, no.

19 Q When you say the window closed, you mean the left rear  
20 window was closed?

21 A Yes, the window directly opposite me, the left rear door,  
22 that window was closed. On my side, I had it open a quarter  
23 of the way.

24 Q You testified that window is tinted?

25 A Yes, all four windows are tinted on that vehicle.

Degl as-cross-Hol l oway

379

1 Q Which makes it difficult to see out that tinted window at  
2 night, correct?

3 A From my advantage point at certain angles, it would be  
4 difficult to see.

5 Q Through Officer Sullivan's window you didn't at any point  
6 see any cigarette or marijuana cigarette that Mr. Robertson  
7 was smoking as you approached him, did you?

8 A No, I did not.

9 Q You didn't at any point smell the smell of marijuana  
10 smoke coming through the windows of the car?

11 A No, not at that point, no.

12 Q At any moment?

13 A Later on that evening, of course when the marijuana was  
14 vouchered, I smelled marijuana.

15 Q When you are in the car, you didn't smell marijuana smoke  
16 coming through the window of the car?

17 A That's right.

18 Q You testified when you're in the back seat of the car,  
19 the front seat window is open, the air coming in through the  
20 front window flows on you. It was making you cold that  
21 evening, correct?

22 A It's not only the air but the speed of the vehicle that  
23 really dictates what kind of temperature. The faster the car  
24 goes, the more air, the colder it gets. The car is  
25 stationary. The wind might come in. You understand the point

Degl as-cross-Hol l oway

3 si de wi ndow, the front of the car di dn' t smel l, you di dn' t

5 A I di dn' t smel l any mari juana, no.

6 Q You testi fi ed that at a certai n poi nt you observed  
7 Mr. Robertson, I thi nk you sai d bri ng hi s el bow up reach to  
8 hi s wai st?

9 A That' s correct.

10 Q Where was Mr. Robertson when you observed that happeni ng?

11 A On the southeast corner of Pi tki n Avenue and  
12 Wi lli ams Avenue.

13 Q Was he on Pi tki n Avenue?

14 A Yes, on the corner. We' re at both avenues meet,  
15 southeast corner.

16 Q You saw him doi ng that through Sul l i van' s wi ndow?

17 A I coul d real ly see through both wi ndows al though I had a  
18 much cl earer pi ctur e through Sul l i van' s wi ndow. It was open,  
19 obvi ousl y.

20 Q You saw Mr. Robertson reach for hi s wai st through  
21 Offi cer Sul l i van' s wi ndow?

22 A Yes.

23 Q You di dn' t see the mari juana ci garette Mr. Robertson was

25 A I di dn' t see a mari juana ci garette, di dn' t smel l

1 marijuana smoke.

2 Q When you saw Mr. Robertson reach for his waist, how soon  
3 after when he started running was that?

4 A It was immediately after he started running.

5 Q Was it before or after Officer Prince got out of the car?

6 A He started running before Police Officer Prince exited  
7 the car. That's my recollection of events.

8 Q But he reached for his waist after Mr. Prince exited the  
9 car?

10 A I believe so, yes.

11 Q But before he turned left onto Williams Avenue?

12 A I would say as he was turning left onto Williams Avenue.

13 Q If he was turning left onto Williams Avenue, running away  
14 from Officer Prince, correct?

15 A That's correct.

16 Q You followed Officer Prince and Mr. Robertson in your  
17 car, correct?

18 A We were parallel with him at one point. We passed him  
19 and we drove past Mr. Robertson to cut him off.

20 Q While you were driving, you couldn't see what was  
21 transpiring between Officer Prince and Mr. Robertson, correct?

22 A Not until I exited the vehicle.

23 Q But you did observe him reach for his waist?

24 A As he started to run, yes.

25 Q The next time you saw Officer Prince and Mr. Sullivan,

Deglas-cross-Holloway

382

1 they were both on the ground, correct?

2 A Yes.

3 Q You didn't observe the initial contact between  
4 Officer Prince and Mr. Sullivan -- Mr. Robertson?

5 A No, I did not.

6 Q But you did observe at one point Officer Prince and  
7 Mr. Robertson exchanging blows?

8 A That's correct, they were clearly involved in a struggle,  
9 in a fight in the middle of the street when I first observed  
10 them as I exited my vehicle.

11 Q Sergeant Deglas, do you have your baton with you?

12 A Yes.

13 Q It is now in it's shorter form, correct?

14 A Collapsed form, yes.

15 Q Could you, just so the jury can hear what it sounds like  
16 when you deploy the baton, could you stand up, deploy the  
17 baton for the jury, please?

18 THE WITNESS: Your Honor?

19 THE COURT: Sure.

20 A I'll deploy it in the same exact manner I did that night,  
21 straight down (indicating).

22 Q The baton makes a noise when you deploy it?

23 A A very distinct sound.

24 Q When you collapse it on the ground, it also made a very  
25 loud noise?

Degl as-cross-Hol l oway

383

1 A Again, I attribute that to the hollowness of the wood,  
2 that's how it amplifies it, the stair (indicating).

3 Q How did Mr. Robertson react when you hit him with the  
4 baton?

5 A As I stated before, prior to my strikes that were  
6 delivered to Mr. Robertson, he was actively engaged in a fight  
7 with one of my officers. Once I delivered the second blow, he  
8 stopped. His reaction was, you know, very evident. He  
9 brought his knees up to his chest, brought his elbows in,  
10 trying to protect himself. At that point, we took full  
11 advantage of that because he's no longer fighting, we  
12 handcuffed him.

13 Q Did he say anything when you struck him? Did he make a  
14 noise, react to the pain of being struck with the baton?

15 A I don't remember him making a noise because I was  
16 screaming "Stop resisting."

17 Q It's your testimony earlier there were drops of blood  
18 forming on Mr. Robertson's left brow, correct?

19 A No, actually when I first observed blood, it was actually  
20 on the pavement, the street directly below Mr. Robertson's  
21 face.

22 Q It wasn't drops of blood; it was quite a bit of blood, a  
23 pool of blood, correct?

24 A I wouldn't say it was an enormous amount of blood but  
25 clearly there was blood flowing from Mr. Robertson's wound,

Degl as-cross-Hol l oway

384

1 yes.

2 Q There was a pool of blood on the pavement underneath  
3 Mr. Robertson's face, correct?

4 A You really have to define pool for me. Swimming pool?  
5 No, it's a small, you know, pool of blood about this size  
6 (indicating), about the size a little bigger than a quarter.

7 Q Do you recall my taking your deposition on December 17th,  
8 2009?

9 A Yes.

10 Q Do you recall being asked this question and giving this  
11 answer? This is page 43, line 18.

12 "QUESTION: Did Mr. Robertson say anything to you  
13 after he had been struck by the baton?

14 "ANSWER: Did he say anything? You know what, I  
15 wasn't really paying attention to what he was saying at that  
16 point because my concern with him, my primary concern at that  
17 point was my officer, both my officers whether or not they  
18 were injured and safe and then after Mr. Robertson had been  
19 handcuffed, he was lying on his stomach at that point, I  
20 noticed there was a pool of blood forming underneath his,  
21 under where his head was, so we turned him over and got him  
22 up. "

23 Do you recall giving that testimony,  
24 Sergeant Degl as?

25 A Yes.

Degl as-cross-Hol l oway

385

1 Q You testified that you hit someone in the head with a  
2 baton, a metal pipe, you could fracture their orbital socket,  
3 correct?

4 A Yes, very easily.

5 Q You also testified that there are times when you can use  
6 deadly force but you can choose to use less than deadly force,  
7 correct?

8 A I believe that was Police Officer Prince that testified  
9 to that. That wasn't me. I would agree with that.

10 Q Isn't it also true that you can swing a baton and cause a  
11 fracture or cause a concussion but you could also use less  
12 force, cause less injury, correct?

13 A I'm sorry, could you rephrase it? I'm not sure what  
14 you're getting at.

15 Q Isn't it true you could swing a baton with your full  
16 force and that might cause a fracture to an orbital socket or  
17 concussions, correct?

18 MR. BROOKS: Objection.

19 THE COURT: Overruled.

20 A Of course.

21 Q You could also swing that baton with less force. That  
22 would cause less injury, correct?

23 A Yes, I suppose so, yes.

24 Q Is it your testimony you didn't collect the black object  
25 from the storm drain, correct?

1 A That is my testimony, yes.

2 Q The storm drain from which it was collected is on the  
3 southeast corner of Pitkin and Williams?

4 A Yes.

5 Q Was that storm drain on Williams Avenue or on Pitkin?

6 A I really don't know. Like I said, I remained with  
7 Mr. Robertson. I could observe my officers peripherally, in  
8 other words within my field of vision but I didn't focus on  
9 them. I was focused on the prisoner because it has happened  
10 handcuffed prisoners have tried to escape. My attention was  
11 on Mr. Robertson but I could actually see where my officers  
12 were. The specific location they went to, I don't know which  
13 storm drain they went to. There's actually two storm drains;  
14 one on the south side of Pitkin, one on the east side of  
15 Williams. They were in the vicinity.

16 Q When Officer Sullivan returned, he showed you what it is  
17 that he had recovered from that vicinity, correct?

18 A I believe in his right hand he had the glove, what  
19 appeared to be one glove crumpled up and exposed bags of  
20 marijuana, small baggies of marijuana. I don't know how many.  
21 I didn't count them at the scene, but yes.

22 Q As a police officer, you've had experience collecting  
23 marijuana evidence, correct?

24 A Yes, unfortunately, yes, hundreds of times.

25 Q Do you recall the approximate quantity -- you can't

Sul l i van-di rect-Harvi s

387

1 remember how many baggies, but in terms of volume how much  
2 marijuana Officer Sullivan showed you?

3 A No. Again, at the scene, I really wasn't concerned with  
4 the evidence, counting the evidence. I knew it was time to do  
5 that at the precinct. As far as I was concerned, we had two  
6 priorities, a prisoner and an injured police officer to attend  
7 to.

8 THE COURT: Listen to the question. Just answer  
9 the question.

10 THE WITNESS: I'm sorry, your Honor.

11 Q Do you have any recollection of the volume of marijuana?  
12 Was it a large handful of marijuana?

13 A It was a handful, yes.

14 Q In separate small Ziploc bags?

15 A That's correct.

16 Q Your experience as a police officer doesn't give you any  
17 basis on which to approximate what the volume of that  
18 marijuana was?

19 A No.

20 Q Is it your testimony you struck Mr. Robertson in the  
21 thigh, between his hip and his knee with your baton, correct?

22 A Yes, midway between.

23 Q You struck him twice in the leg. Which leg was it?

24 A The left leg.

25 Q Twice in the left leg with a metal pipe that can cause a

2      A      Yes.

3                      MS. HOLLOWAY:    I have nothing more.

5                      Is there any redi rect?

21 Should I explain it?

22 THE COURT: No, spare us that.

23 A The vehicle number, P O Prince, my partner, 1945 98, a  
24 radio term for reassuming or starting patrol. That would be  
25 on the radio and then 0040, one under Williams and Pitkin.

1 Q One more entry. What does that say?

2 A 0558 hours, E O T as end of tour.

3 THE COURT: One under means one under arrest?

4 THE WITNESS: Yes, sir.

5 Q When you work in the vicinity of Pitkin and Williams,  
6 which street were you traveling down?

7 A Pitkin.

8 Q Is Pitkin a one-way or two-way street?

9 A It's a two-way.

10 Q Just briefly describe for the jury what the area in the  
11 vicinity of Pitkin and Williams Avenue was like in April of  
12 2006.

13 A Dark out, near midnight. Streets have street lights,  
14 lights from the building, industrial area with warehouses,  
15 some small factories, storage, commercial area.

16 Q What did you observe when your vehicle reached the  
17 vicinity of Pitkin and Williams?

18 A A male on the south sidewalk.

19 Q Do you now know who that person was that night?

20 A Yes.

21 Q Who was it?

22 A Mr. Robertson.

23 Q What, if anything, drew your attention to Mr. Robertson?

24 A After observing him, I believe he was smoking a marijuana  
25 cigarette.

Sullivan-direct-Harvis

395

1 Q What made you think it was a marijuana cigarette that he  
2 was smoking?

3 A Well, to look at it, its shape, non-uniform structure,  
4 also color was darker and the way he was smoking.

5 Q Can you demonstrate for the jury the way you observed him  
6 smoking that evening?

7 A With his index finger and thumb, back of the palm to the  
8 mouth (indicating).

9 Q Prior to April 14th, 2006, had you ever seen someone  
10 smoking a marijuana cigarette before?

11 A Yes.

12 Q Can you describe for the jury what the portion of the  
13 marijuana cigarette you could observe looked like to you that  
14 evening?

15 A Probably the end of it.

16 Q How fast was your vehicle traveling when you observed  
17 what you believed to be Mr. Robertson smoking marijuana?

18 A Pretty slow.

19 Q Do you know what the speed limit is in that area?

20 A No, not offhand. I believe it's 30 if it's not marked.

21 Q Do you think you were going above the speed limit?

22 A No, well under.

23 Q Was Mr. Robertson with anyone when you saw him?

24 A No, he was alone.

25 Q When you observed Mr. Robertson smoking what you believed

Sul l i van-di rect-Harvi s

1 to be marij uana, what di d you do?

2 A I moved closer to i nvestigate.

3 Q What di d you do wi th your vehi cle i n order to move  
4 closer?

5 A I crossed the double yellow, dri vi ng westbound, crossed  
6 the double yellow, ri ght up agai nst the curb and Mr. Robertson  
7 was ri ght paral lel to my wi ndow.

8 Q Once you had Mr. Robertson paral lel to your wi ndow, what  
9 happened next?

10 A The wi ndow was down. I engaged hi m i n conversati on, I et  
11 hi m know I was the poli ce. Exactly what I sai d I'm not sure,  
12 probabl y i n effect, hey buddy, how are you doi ng? Poli ce  
13 department. Cou l d I have a mi nute of your ti me, sum and  
14 substance, I i ke that.

15 Q You sai d your wi ndow was down, ri ght?

16 A Yes.

17 Q Do you know when you had rol led your wi ndow down?

18 A My wi ndow stays down when I do anti -crime.

19 Q Is that for the reasons Sergeant Degl as menti oned?

20 A Yes, si r.

21 Q Do you remember any recol lecti on of smel li ng marij uana  
22 before you spoke to Mr. Robertson?

23 A Thi s date I don' t remember.

24 Q When you spoke to Mr. Robertson, were you sti ll i nside  
25 your poli ce vehi cle?

Sul I i van-di rect-Harvi s

397

1 A Yes.

2 Q What, if anything, did you do while you were speaking to  
3 Mr. Robertson?

4 A I was attempting to put the car in park, exit the  
5 vehicle.

6 Q Had you begun the process of exiting the vehicle?

7 A I believe I had the door open.

8 Q Do you know whether Sergeant Deglas or Detective Prince  
9 had gotten out of the police vehicle or started to get out of  
10 the vehicle -- sorry, excuse me, withdrawn.

11 When you asked Mr. Robertson to have a word with  
12 you, what happened next?

13 A He paused for a brief moment, said something. In sum and  
14 substance he said something to the effect of no, I'm not  
15 stopping and he ran.

16 Q Do you know whether Sergeant Deglas or Detective Prince  
17 had gotten out of the vehicle or started to get out of the  
18 vehicle at the moment the plaintiff ran?

19 A I don't know.

20 Q What happened after Mr. Robertson started running?

21 A He started running and Police Officer Prince exited the  
22 vehicle and gave chase on foot.

23 Q Do you know why Mr. Robertson started running?

24 A No.

25 Q What did you do after Detective Prince began his foot

1 pursui t?

2 A After he passed in front of me, I put the car in gear. I  
3 had it is already in gear, I'm not really sure at this point,  
4 went west on Pitkin, left off the corner, that was Williams.  
5 I drove the car past Prince, then past Mr. Robertson who was  
6 running ahead of Officer Prince.

7 Q What if anything did you observe as you were driving west  
8 on Pitkin?

9 A I observed something fall from Mr. Robertson's person.

10 Q Can you describe for the jury what you saw drop as  
11 Mr. Robertson ran?

12 A Black dark object.

13 Q When Detective Prince got out of the vehicle, why didn't  
14 you get out of the vehicle also?

15 A I'm the driver. Having the vehicle is a distinct  
16 advantage in those situations.

17 Q When Mr. Robertson started running, what, if anything  
18 were you focusing on?

19 A My partner and also Mr. Robertson.

20 Q Were you focused at all on what Mr. Robertson did with  
21 the marijuana that you had seen in his hand when he was  
22 smoking it?

23 A No, I don't believe so.

24 Q What happened after you made a left onto Williams Avenue?

25 A Made a left onto Williams, drove past both of them. I

Sul l i van-di rect-Harvi s

399

1 got out a sufficient amount in front at which time I stopped  
2 the vehicle, Sergeant Deglas exited.

3 Q Detective Prince was chasing after Mr. Robertson?

4 A Yes.

5 Q Did you actually see Detective Prince reach  
6 Mr. Robertson?

7 A No, sir.

8 Q Were you able to see what was going on between plaintiff  
9 and Detective Prince when you stopped the car and  
10 Sergeant Deglas got out?

11 A I briefly glanced behind my right shoulder and saw a  
12 violent struggle going on between Prince and Robertson.

13 Q When you were observing this struggle, were Prince and  
14 Robertson on the ground or standing up or something else?

15 A I believe they were standing up at first. Then they were  
16 on the ground.

17 Q Could you see whether punches were being thrown and if so  
18 by whom?

19 A I couldn't see the exact who was doing what. It just  
20 looked like a violent struggle.

21 Q Do you know where Sergeant Deglas went when he got out of  
22 the vehicle?

23 A He went right to the two of them.

24 Q Did you see Sergeant Deglas reach the struggle --

25 A No.

Sul l i van-di rect-Harvi s

400

1 Q No, he did not?

2 A No.

3 Q Did you exit the vehicle when the sergeant did?

4 A No.

5 Q Why didn't you get out of the vehicle when the sergeant  
6 did?

7 A At that point it was just Detective Prince locked up with  
8 him. It's happened before where subjects are trying to get  
9 away. I have the vehicle which was able to cut him off or if  
10 he went the other way, I could speed past him, thereby boxing  
11 him in.

12 Q Is it fair to say that the reason you stayed in your car  
13 you thought Mr. Robertson could still get away?

14 A At that point it was still uncertain whether he was under  
15 control.

16 Q What did you do next?

17 A I was backing the car up.

18 Q Did you call for backup at that time?

19 A No.

20 Q Why not?

21 A I didn't deem it necessary.

22 Q How far did you back the car up?

23 A I would say two to three car lengths.

24 Q Did you back the car up to where the struggle was  
25 actually happening?

1 A The rear of the car was by where the struggle, I guess  
2 ended.

3 Q What did you do then?

4 A I exited the car, came around the back.

5 Q Why did you decide to exit your vehicle at that point?

6 A At that point he was on the ground with Officer Prince,  
7 seemed like the struggle had died down a little bit,  
8 Sergeant Deglas was there. At that time I deemed it  
9 responsible to get out of the car.

10 Q What, if anything, did you observe when you got out of  
11 that police vehicle?

12 A I believe he was in the process of getting cuffed. I  
13 believe they had one cuff on him, trying to get him in the  
14 other cuff.

15 Q At any time did you observe Detective Prince actually  
16 strike plaintiff?

17 A Not that I remember.

18 Q At any time did you observe Sergeant Deglas strike  
19 plaintiff?

20 A No, I don't think so.

21 Q At any time did you observe anyone at any time strike  
22 Mr. Robertson in the face with a baton?

23 A No, I didn't.

24 Q Was Mr. Robertson handcuffed when you got out of your  
25 vehicle?

Sul l i van-di rect-Harvi s

402

1 A He was, I think, one on, trying to get him into the other  
2 one.

3 Q What did you do at that point?

4 A It's a little -- I remember distinctly helping him to  
5 his feet. I believe I was on the ground with him so I  
6 probably assisted in the handcuffing.

7 Q Do you recall how you did that?

8 A We rolled him over onto his bottom, butt, told him to  
9 plant his feet. Then I was going to pick him up.

10 Q Do you know if Detective Prince was injured?

11 A He was definitely moving around with some concern. He  
12 definitely had discomfort. He was looking at his hand or  
13 wrist with some concern.

14 Q Do you know if Mr. Robertson was injured?

15 A I believe he had a cut.

16 Q Would you say there was a lot of blood on Mr. Robertson's  
17 face?

18 A I've seen a lot of blood. It's tough for me to be the  
19 judge of it, but he was bleeding, not like not pouring out of  
20 him.

21 Q After you helped lift Mr. Robertson to his feet, what  
22 happened next?

23 A I remember placing him against the back of the car,  
24 giving him a further search for weapons or contraband.

25 Q Why did you conduct a search of Mr. Robertson at that

Sul I i van-di rect-Harvi s

403

1 time?

2 A At that point he was under control. Sergeant Deglas and  
3 Officer Prince are recovering from the struggle.

4 Q At the time you searched Mr. Robertson, did you know for  
5 certain whether or not he had any kind of weapon on him?

6 A No, not until I was done with the search.

7 Q Did you did your search of Mr. Robertson's person  
8 disclose any contraband?

9 A No, I didn't find anything on him.

10 Q After you searched Mr. Robertson, what happened next?

11 A I asked the other officers if they were okay. I told  
12 him -- one of us stayed with Mr. Robertson. I believe it was  
13 Sergeant Deglas and Officer Prince stayed with Mr. Robertson.  
14 I gave a search of the area to see what he had dropped when he  
15 had ran.

16 Q When you left plaintiff in the custody of Sergeant Deglas  
17 and Detective Prince, was he standing up?

18 A I believe so, yes.

19 Q You said you searched the area?

20 A Yes.

21 Q What did that search consist of?

22 A I searched the area where the struggle was. Then I went  
23 back, I searched the area where it began.

24 Q Did you use your flashlight as part of your search?

25 A Yes.

Sul l i van-di rect-Harvi s

404

1 Q Did you find anything?

2 A Yes.

3 Q What did you find?

4 A I found a black glove, like a batting glove type,  
5 contained several Ziploc baggies of marijuana.

6 Q Where did you find that glove and marijuana?

7 A On the sewer grade or drainage grate of the storm drain  
8 or sewer.

9 Q Where geographically was that?

10 A That would have been on Williams towards the southeast  
11 corner.

12 Q Southeast corner of Williams and Pitkin?

13 A Yes, on the Williams side.

14 Q Was anything else recovered during your search of the  
15 general area?

16 A Another black glove was recovered.

17 Q Do you know where that other black glove was found?

18 A I don't remember.

19 Q Did the second black glove match the first black glove?

20 A Yes, they did.

21 Q At the time you recovered it, what did you do with the  
22 gloves and the marijuana?

23 A I put them in my pocket.

24 Q Did you find the marijuana cigarette that you had  
25 observed Mr. Robertson smoking?

Sul l i van-di rect-Harvi s

405

1 A No, I di dn' t.

2 Q Di d you look for i t?

3 A Yeah.

4 Q Do you have any i dea what might have happened to i t?

5 A I t could have gone down the drain where I recovered the  
6 mari juana. I t could have gone into the fenced-i n commercial  
7 property on that corner. I wasn' t able to observe i t, no.

8 Q How much time di d you spend conducting the total search  
9 of the area?

10 A Mi nutes.

11 Q Why di dn' t you spend more time on your search?

12 A At that point i t looked l i ke my partner was i n a l ot of  
13 discomfort, prisoner needed to have medical attention. I  
14 deemed i t was more important to return to the precinct.

15 Q What happened next when the search was over?

16 A We returned to the precinct.

17 Q You sai d Mr. Robertson needed medical care, ri ght?

18 A Yes.

19 Q Why di dn' t you call an ambulance to the scene of the  
20 arrest?

21 A Hi s i njuries di dn' t seem to be l i fe threatening i n any

23 Q Di d you ever observe Mr. Robertson l ose consci ousness?

24 A No.

25 Q Who was Mr. Robertson' s arresting offi cer that ni ght?

Sul I i van-di rect-Harvi s

406

1 A I was.

2 Q What are the duties of an arresting officer when they  
3 make an arrest?

4 A Process the arrest paperwork, voucher the property if  
5 property is recovered, speak to the DA's office.

6 Q Can you approximate how many times you've been the  
7 arresting officer for an arrest?

8 A Probably over 250.

9 Q What happened when you got back to the precinct?

10 A I went to return to the precinct. We collected the  
11 subject's pedigree information which is name, date of birth,  
12 address, that stuff, stuff of that nature.

1 EXAMI NATION CONTI NUES

2 BY MR. HARVI S:

3 Q Did Mr. Robertson receive medical attention at the  
4 precinct?

5 A Yes. I think a bus -- an ambulance was ordered for him.

6 Q Do you know who ordered it?

7 A I believe one of the supervisors did.

8 Q Do you have any idea about how long after you arrived at  
9 the precinct the EMS people arrived?

10 A It wasn't there for the entire thing, but I believe  
11 pretty quickly.

12 Q Do you know if Mr. Robertson went to the hospital?

13 A Yes.

14 Q Did you transport Mr. Robertson to the hospital?

15 A No, I didn't.

16 Q Why not?

17 A I am the arresting officer. Paperwork has to be in,  
18 expedited.

19 Q Did you ever tell Mr. Robertson not to go to the  
20 hospital?

21 A No.

22 Q Did you ever hear anyone tell Mr. Robertson that night  
23 not to go to the hospital?

1 A Yes, he did.

2 Q Did you go with Detective Prince to the hospital?

3 A I don't believe I went with him initially. I might have  
4 gone later on to check up, see if he's okay.

5 Q Detective, when you sit down to do arrest paperwork and  
6 you are the arresting officer, what is the first thing that  
7 you do?

8 A The online generally.

9 Q What is an online?

10 A Online is the paperwork that's done for an arrest.

11 Q Okay. I am now going to show you -- this has previously  
12 been received into evidence as Plaintiff's Exhibit 11.

13 Let me do this -- I think this is out of order.  
14 This is actually the first page of this document, is that  
15 right, detective?

16 A That's correct.

17 Q Okay. Now, just take a look at this. It -- does -- is  
18 this the online that you prepared for the arrest of Dwayne  
19 Robertson?

20 A Yes.

21 Q Do you know when you prepared it?

22 A Sometime that morning.

23 Q What happens to this form once you complete it?

24 A This form is submitted to the LAPS officer who does the  
25 data entry and enters it into a system.

Sul l i van-di rect-Harvi s

409

1 Q This handwritten form is entered by someone in a computer  
2 system?

3 A Yes.

4 Q Are you personally involved in the process of inputting  
5 this handwritten form into the computer?

6 A No.

7 Q You are not the person who actually enters it into the  
8 computer, right?

9 A No.

10 Q Can you read for the jury what you listed under charges,  
11 just the description, please?

12 A Description, first one is going to be tampering with  
13 evidence. The second one is CPM, assistance for criminal  
14 possession of marijuana. Third one, resisting arrest. And  
15 the fourth one is going to be assault on a PO.

16 Q Now, why did you list these charges on this form?

17 A Because those were the charges that I observed him to  
18 commi t.

19 Q Whose decision was it to list these charges?

20 A Mine and I also consulted with my supervisor.

21 Q By listing these charges on this form, does that mean  
22 that the District Attorney is going to prosecute Mr. Robertson  
23 for these particular charges?

24 A No.

25 Q Why not?

GR

OCR

Sul l i van-di rect-Harvi s

1 A It is up to them.

2 Q Now, in the -- let me just -- in the arresting officer  
3 section under force used, can you -- can you tell me what that  
4 says?

5 A Force used, yes. Type, physical force and baton were  
6 checked.

7 Q Now, why did you complete the form in that way?

8 A Because during the apprehension of the subject, physical  
9 force was used and also a baton.

10 Q How did you know that a baton had been used?

11 A I believe Sergeant Deglas informed me.

12 Q Now, detective, why -- you see here on the left it says  
13 arresting officer next to all this information?

14 A Yes, I do.

15 Q Why would the Sergeant Deglas's use of a baton be listed  
16 in the section for the arresting officer?

17 A Well, there is no box on the form for assisting officers.  
18 And this I felt was the most truthful way to fill it out.

19 Q Okay. Similarly, under arresting officer, it says,  
20 the -- it says -- right here, it says arresting officer  
21 injured and both yes and no have been checked.

22 Is that right?

23 A Yes.

24 Q Why is that?

25 A Very few of my arrests that -- is the arresting officer

Sul l i van-di rect-Harvi s

1 injured. So after doing so many arrests and, you know, you go  
2 through checking and you know you pretty much do it almost by  
3 memory sometimes. I mistakenly checked that there was no  
4 officer injured. So I went back and corrected my mistake with  
5 the X and the circle around the yes.

6 Q Detective, you were not injured that night, right?

7 A No.

8 Q Why would Detective Prince's injuries be listed in the  
9 arresting officer section of this paperwork?

10 A Pretty much the form doesn't allow for the assisting  
11 officer is injured. I felt that was the most truthful way to  
12 fill it out.

13 Q Now, I am going to direct you down here to, in the  
14 defendant information section.

15 A Yes.

16 Q Under type of drug used, you checked none. Right?

17 A Yes.

18 Q Now, why did you check none even though you observed  
19 Mr. Robertson using marijuana?

20 A I never recovered the marijuana cigarette. So I didn't  
21 charge him with it. Because I couldn't prove it.

22 Q Okay. Now, I am going to turn your attention down here  
23 to where it says, narrative. I have just -- I will ask you to  
24 read that narrative portion for the jury, please, if you can?

25 A At TPO, which stands for time, place and occurrence,

Sul l i van-di rect-Harvi s

412

1 above perp, stands for perpetrator, did throw two gloves full  
2 of marijuana down drain. When A0 attempted to arrest perp,  
3 perpetrator, perp did flail his arms and legs at arresting  
4 officers causing pain and swelling to officer's hand and back.

5 Q Now, why didn't you include in your narrative of the  
6 events that you saw Mr. Robertson smoking a blunt?

7 A There really just wasn't any room in the small area given  
8 and I wanted to have the top charges on there.

9 Q Similarly, you said that there were two gloves full of  
10 marijuana, but what you just testified to is that you only  
11 recovered one glove that actually had marijuana in it, right?

12 A That's what I recall, yes.

13 Q So how come you put in the narrative section that you  
14 recovered two gloves full of marijuana?

15 A Honestly, I felt that was just the easiest way and the  
16 smallest space provided to put in two gloves were recovered.

17 Q What did you do with the marijuana and the gloves that  
18 you had recovered then?

19 A I vouchered them.

20 Q I am now showing a document that's previously been  
21 admitted into evidence under -- as PX-9.

22 Is this one of the vouchers that you prepared that  
23 evening?

24 A Yes.

25 Q The -- this form was completed by you with the exception

Sul l i van-di rect-Harvi s

413

1 of the signature of your -- of the desk officer, is that  
2 right?

3 A No. That's Sergeant Degl as's signature.

4 Q Oh, okay. Okay. Apol ogi ze.

5 But the typing that was done, the form is actually  
6 typed on a typewriter, is that right?

7 A Yes, it is.

8 Q Okay. You are the one who is actually sitting at the  
9 typewriter typing it up?

10 A Yes, sir.

11 Q Why did you list 18 zip locks of marijuana on this form?

12 A After counting them up, that's what were inside the  
13 glove.

14 Q So -- and in addition to preparing this form, is there  
15 anything actually done with the marijuana itself?

16 A It is placed in a narcotics envelope, which you can see  
17 at the bottom of the narrative, and then you can see NARCO  
18 envelope and then -- did I --

19 Q You have to hit the lower right corner to clear that.

20 A Oh. Narcotics envelope and then it is placed in a  
21 security envelope and it is given back to the desk officer,  
22 whoever is working there.

23 Q So once -- once that process is completed, this document  
24 has been prepared, the marijuana has been placed into that  
25 envelope, and it is given to the desk officer, where is it

1 stored?

2 A In the drug locker.

3 Q What is a drug locker?

4 A Drug locker, on the 75th, it is like a converted mailbox.  
5 The way you see one on the street where you drop it in and you  
6 close it up. So you can only make deposits.

7 Q Okay. It is like a drop box?

8 A Yes. It looks just like a mailbox that you see on the  
9 street though.

10 Q Where in the 75th Precinct is that locker located?

11 A It's located directly behind the desk sergeant.

12 Q Are you aware of who has access, or I guess in 2006, who  
13 had access to the narcotics locker?

14 A Whoever was assigned as desk sergeant at the time.

15 Q In April of 2006, did you have access to the narcotics  
16 locker at the 75th Precinct?

17 A No.

18 Q Have you ever accessed the narcotics locker at the

1 Q At that time you were not investigating a tip that had

3 Mr. Robertson; is that correct?

4 A I don't believe so.

5 Q So the -- I believe you have testified that the decision  
6 that you made to approach Mr. Robertson was based entirely on  
7 what you observed that evening?

8 A Yes.

9 Q When you first spoke to Mr. Robertson, did you show him  
10 your badge?

11 A I was in the car. My badge was on my -- on my chest. He  
12 may be -- he probably was able to see it. But I didn't hold  
13 it up. No, I did not.

14 Q Is the badge contained in sort of a wallet that can open  
15 and close or is it fully displayed at all times?

16 A It's just the -- I don't know exactly what it's made out  
17 of. But the metal badge with the like a safety pin through  
18 the back. And I had it with a metal -- the most common way is  
19 the thing you see at the bank that holds the pen in there,  
20 that beaded thing, I had that holding it around my neck.

21 Q It is not actually covered by a wallet?

22 A No, no, it was just sitting there on my chest.

23 Q I believe you have testified that the observations that  
24 led to your decision to approach Mr. Robertson were two  
25 things. One, the observation of the actual cigarette that he

Sullivan-cross-Valdes

423

1 was holding, and secondly, the way that he was holding the  
2 cigarette; is that correct?

3 A Yes.

4 Q Detective Sullivan, you did not smell marijuana as you  
5 approached Mr. Robertson, correct?

6 A I can't remember at this time.

7 Q But I believe you testified on direct that you did not?

8 A I said I can't remember. I can't remember if I did or  
9 didn't.

10 Q Do you recall anybody in the car saying that they had  
11 smelled marijuana?

12 A No, I don't remember that.

13 Q Your window was closer to Mr. Robertson than Officer  
14 Prince's window was, is that correct?

15 A I believe so, yes.

16 Q Can you describe the actual appearance of the cigarette  
17 that you saw Mr. Robertson carrying?

18 A Small, the exact length, not exactly sure of, because I  
19 don't know how much was actually hidden in his thumb but it  
20 was dark in color, non-uniform in shape, and semi-broken.

21 Q Detective Sullivan, you have testified that your car was  
22 in the westbound lane of Pitkin Avenue; is that correct?

23 A Yes.

24 Q Mr. Robertson was walking along the southern sidewalk on  
25 Pitkin Avenue?

Sul l i van-cross-Val des

424

1 A Yes.

2 Q Approximately how far would you say you were from  
3 Mr. Robertson when you first spotted him?

4 A The -- first spotted him smoking, what I believe to be,  
5 or just first spotted him?

6 Q When you first spotted him and believed that he was  
7 smoking marijuana.

8 A Approximately three to four car lengths, two to three,  
9 three to four.

10 MR. VALDES: Pull up PX-33, please. This is already  
11 in evidence.

12 THE COURT: Yes.

13 Q Detective Sullivan, do you recognize this scene as a  
14 picture of Pitkin Avenue facing westward?

15 A We'd be at like the intersection of Alabama, right?

16 Q Right. The street immediately to the east of Williams.

17 A Okay, yes, yes. You asked if this is Pitkin?

18 Q This is Pitkin facing towards Williams?

19 A Yes, sir. Yes, sir.

20 Q So you -- your car would have been next to -- to the left  
21 of some of these large trucks that are shown in this picture,  
22 is that about right?

23 A Yes.

24 Q Mr. Robertson would be walking along this sidewalk next  
25 to this brick building?

Sul li van-cross-Val des

425

1 A Maybe a little up towards the fence.

2 THE COURT: The brick building on the right of the  
3 photo?

4 THE WITNESS: The left of the photo, sir. My car  
5 would be on the right, somewhere between these two trucks  
6 here.

7 THE COURT: Okay.

8 Q Approximately how many feet -- you said three to four car  
9 lengths behind him. But how many feet?

10 A No. From him, sir?

11 Q From him. Diagonally from him?

12 A Yes.

13 Q Okay. This picture was taken during the daytime. The  
14 scene on that actual evening was, I imagine, much darker than  
15 is reflected here, is that correct?

16 A It's -- it was dark out because it was midnight, but it  
17 is a pretty well lit street.

18 Q So there are street lamps on this street?

19 A Yes. You could see they are up and down. Then you have  
20 building lights.

21 Q Okay. The street lamps face over towards the street as  
22 opposed to the sidewalk, correct?

23 A Yes. But they -- they encompass the sidewalk also, when  
24 they are lit.

25 Q Do you see any lights in this photograph on the building

Sul l i van-cross-Val des

426

1 on the left, where Mr. Robertson was walking?

2 A There might be. It's not a completely -- I don't see any  
3 readily available. But I mean, it's not a great -- I am not  
4 going to bet my life on it, that there is not lights on  
5 there.

6 Q I am asking you can't --

7 A I can't see them on here, no.

8 Q Were there any cars parked between you and the sidewalk  
9 on the left-hand side, or was it deserted?

10 A I believe there was no cars either side of the street.

11 Q Detective Sullivan, you wear eyeglasses, correct?

12 A Yes. And contacts.

13 Q Do you normally wear either the eyeglasses or contacts  
14 when you are on patrol?

15 A It varies. You know, there is no rule -- I always wear  
16 them, I never wear them. It can vary.

17 Q Sometimes you are on patrol where you are wearing nei ther  
18 your eyeglasses nor your contact lenses?

19 A No. I wouldn't -- you don't want me driving wi thout  
20 the -- I'd wear one or the other.

21 Q Okay. Detective Sullivan, it is your testimony that  
22 despite the relatively dark lighting conditions and the  
23 distance that you had from Mr. Robertson, that you were able  
24 to see the size and the color and the shape of the cigarette

4 was smoking it, is that correct?

5 A Yes, sir.

6 Q Can I trouble you to demonstrate one more time how he was  
7 smoking the cigarette?

8 A Thumb and forefinger. I mean, index finger. Index  
9 finger. Like this.

10 Q So he was using his right hand between his thumb and his  
11 forefinger. I'm sorry. His index finger and his thumb and he  
12 had the other three fingers sort of up or --

13 A I think up.

14 Q Okay. He had that pressed against his lips?

15 A Yes. At one point or another.

16 Q Okay. Detective Sullivan, you said that you approached  
17 him from the rear. You sort of looked over until you had  
18 become parallel with him?

19 He was directly to your left, is that correct?

20 A Yes.

21 Wait. Repeat the question.

22 Q You approached him from the rear, is that correct?

23 A Yes, diagonally from the rear.

24 Q Then eventually you went into the eastbound lane to get

1 actually began to speak to him; is that correct?

2 A Yes, sir.

3 Q If Mr. Robertson were smoking with his right hand in the  
4 way that you have just described, and he were to the right of  
5 you and he were holding it like this, how is it that you were  
6 actually able to see the cigarette and that it wasn't obscured  
7 by his palm?

8 A Depends on where he was facing. He could have been  
9 facing like this, looking around. I just remember. It's as  
10 far as memory after four years. He could have had his neck  
11 turned. He didn't have to be facing directly west the entire  
12 time.

13 Q If he was holding --

14 THE COURT: You are arguing with him now. We get  
15 it. You can argue it later.

16 Q Detective Sullivan, would you say it is possible that you  
17 didn't quite get as good a look at the cigarette as you recall  
18 that you did?

19 A I remember seeing him smoking. It looked to be like a  
20 blunt. So that was my recollection. How exactly he was  
21 facing or, you know, the direction he was facing, I can't  
22 exactly say for certain.

23 Q Putting side for the moment the appearance of the  
24 cigarette itself, is it your view that the way that  
25 Mr. Robertson was holding the cigarette is indicative of

Sul li van-cross-Val des

429

1 smoking marijuana as opposed to a regular cigarette?

2 A No.

3 I've -- I used to be a smoker, unfortunately. And  
4 I'd smoke sometimes this way, sometimes this way, but commonly  
5 I saw whenever -- whenever people smoked marijuana, smokes  
6 like this.

7 Q So if you see somebody on the street holding a cigarette  
8 in that manner that you have indicated Mr. Robertson was doing  
9 it, would you say it is more likely than not that they are  
10 smoking marijuana as opposed to a regular cigarette?

11 A No.

12 It might make you give a second look. Maybe  
13 something like oh, wait. Is he smoking? I only approached  
14 him because I wanted to see better.

15 Q Is it your view that seeing somebody smoking a cigarette  
16 in that manner gives you cause to detain them?

17 A Detain? No. But stop and talk to, investigate further,  
18 yes.

19 Q So you say it gives you cause to stop them.

20 Does that give you reasonable suspicion to conduct a  
21 stop and a search of somebody?

22 A A stop?

23 Q Yes.

24 A To investigate further? The stop could have resulted in  
25 him stopping, talking to me and showing me what it was and me

1 maybe driving away like oh, sorry. I thought you were smoking

3 Mr. Robertson didn't do that.

4 Q But it is your view that you would have the right to  
5 order somebody to stop and speak to you as a result of making  
6 that observation, correct?

7 A Yes, sir. It would give me the suspicion.

8 Q I would like to introduce PX 11. It is already in  
9 evidence.

10 I believe you have testified this was the online  
11 form, part of the paperwork?

12 A Yes. Scratch copy, sir.

13 Q Is this something you filled out when you returned to the  
14 precinct after arresting Mr. Robertson?

15 A Yes, sir.

16 Q Would you fill out this document before you fill out any  
17 property vouchers, for example?

18 A Usually.

19 Q When you fill out a report like this one, do you attempt  
20 to include all of the key information about the incident that  
21 occurred?

22 A You do your best to what the -- the way the report is  
23 designed. It is a general copy -- it is a general report. So  
24 sometimes you can encompass everything, sometimes you can't.

1 Q Is it normally your practice then that when you fill out  
2 a document like this you want to include in there the  
3 information that gave you the initial right to approach a  
4 suspect?

5 A It can be in there. Like I said, there was only a  
6 limited amount of space given. I wanted to outline the top  
7 charges. But I've commonly had, you know, larger cases, you  
8 know, where we charged a new -- a bunch of charges that  
9 actually filled up the entire charge bracket that's given on  
10 the form. We've had to articulate that to the DA's office so  
11 they wouldn't even show up on the form.

12 Do you understand what I am getting at?

13 Q So you would write it on a separate form?

14 A No. We would just tell the DA's office.

15 Q You wouldn't include that information in the arrest  
16 report?

17 A No.

18 There is only so much room given. So if there is  
19 more than so many crimes that are broken or violated, you  
20 wouldn't put it on. There wouldn't be room for it.

21 Q Let me turn to the second page of this exhibit.

22 If we can look down at the narrative section that  
23 you read before.

24 Okay. Is it your testimony that there is no space

1 A No. There is a little bit of space. But I guess I  
2 didn't feel I was enough of a wordsmith to fit everything in  
3 there. I knew I was going to be speaking to the DA's office  
4 about it anyway so I didn't deem it necessary.

5 Q If we look up a little further up on this document, the  
6 section that says type of drug used and you marked none.

7 There is a separate section -- let's keep that part  
8 up. There is a separate section below that says charges.

9 A What do you want me to look at now, sir?

10 Q She is going to pull it up in one second.

11 That bottom portion there, charges, is that where  
12 you include all of the information that relates to the charges  
13 that are actually recommending be brought against the suspect?

14 A These will be the charges that I felt the suspect  
15 violated or that he should be charged with, is that the  
16 question?

17 Q Yes.

18 A Yes.

19 Q So the section that says type of drug used, that part  
20 doesn't only call for information about crimes with which you  
21 are charging the suspect, correct?

22 A No. But what's --

23 Q That section type of drug used you marked none. Does  
24 that not mean that you did not believe he had used marijuana?

25 A I believe in the way I was filling it out that I couldn't

Sul li van-cross-Val des

434

1 prove it because I hadn't recovered the -- what I believed to  
2 be the marijuana blunt.

3 Q So you only include information on this report that you  
4 believe the District Attorney can later prove?

5 A No. I'm saying what I could. I couldn't find the blunt.  
6 So I couldn't -- I thought he was smoking one but then upon  
7 further investigation I couldn't find it to confirm my  
8 suspicion. So I didn't put it down.

9 Q Based on your training as a police officer, you didn't  
10 believe that it would be relevant for the District Attorney's  
11 office to know why you were justified in approaching the  
12 suspect in the first place?

13 MR. HARVIS: Objection.

14 THE COURT: Sustained.

15 A That was --

16 THE COURT: Sustained.

17 When I say "sustained," wait for another question.

18 THE WITNESS: Sorry, sir. I apologize.

19 THE COURT: That's all right.

20 Q Despite the fact that you believed you couldn't prove  
21 that he had been smoking marijuana, you didn't believe it was  
22 relevant to include in this form that you had observed him  
23 smoking marijuana?

24 MR. HARVIS: Objection.

25 THE COURT: Sustained.

5 in this physical condition portion of the form that refer to  
6 intoxication from alcohol, intoxication from drugs or  
7 intoxication from an unknown source?

8 Do you see that?

9 A Yes.

10 Q You see that none of those boxes are checked?

11 A Yes.

12 Q Why is it that you didn't check those boxes?

13 A Maybe I forgot. I don't know.

14 Q You have testified today as to the recollection that you  
15 have and the size and shape of the marijuana cigarette. You  
16 are saying that you didn't recall at that point that that had  
17 occurred?

18 A No. I'm saying maybe I just forgot to skip the -- I  
19 skipped the box and didn't --

20 Q Do you view it as part of your job as a police officer to  
21 include all relevant information in this these?

22 A I try to.

23 MR. HARVIS: Objection.

24 THE COURT: Overruled.

25 What did you say?

Sullivan-cross-Valdes

436

1 THE WITNESS: I try to.

2 Q Would you agree, Detective Sullivan, that there is no  
3 reference anywhere on this form to the fact that you believed  
4 he was smoking marijuana at the time, is that correct?

5 A That's correct.

6 Q Bring up PX 12. It is also already in evidence.

7 Detective Sullivan, I believe you testified that  
8 this is a document that is -- basically they use the  
9 information in your scratch copy and they type up this form,  
10 is that correct?

11 A Yes, sir.

12 Q That's done by the LAPS officer that types it?

13 A Yes, sir.

14 Q If you would take a look through this document and if you  
15 could tell me whether you see any reference in this document  
16 to the fact that you thought he was -- that you thought  
17 Mr. Robertson was smoking a marijuana cigarette?

18 THE COURT: It's in evidence. You can argue from it  
19 later.

20 I assume your position is there is no reference to  
21 it?

22 MR. VALDES: Correct, Your Honor.

23 THE COURT: If you are right, you can argue from it  
24 later. The jury has access to the document. Let's not give  
25 him a homework assignment here.

Sullivan-cross-Valdes

437

1 MR. VALDES: Bring up PX 13.

2 Q Briefly, Detective Sullivan, you are not aware of a  
3 reference to the marijuana cigarette in this document either?

4 A This is the complaint? No, I don't believe so. I can't  
5 really read it.

6 Q Bring up PX six.

7 MR. BROOKS: Your Honor, this document is not in  
8 evidence.

9 THE COURT: All right.

10 MR. VALDES: I apologize. It should be 6-A.

11 THE COURT: That's okay. This is in evidence,  
12 right?

13 MR. VALDES: Yes.

14 Q Detective Sullivan, you testified previously about this  
15 document.

16 Can you just tell us what this is again?

17 A This is the -- the accusatory instrument generated by the  
18 DA's office, I believe.

19 Q Do you see it as part of your job as a police officer to  
20 provide all relevant information to the District Attorney's  
21 office so that they can then prosecute the individual you  
22 apprehended?

23 A Yes.

24 Q Do you see any reference in this document to the  
25 marijuana cigarette that you believe Mr. Robertson was

Sullivan-cross-Valdes

438

1 smoking?

2 A I previously read it and I don't believe so.

3 Q You provided information as the arresting officer to  
4 Ms. Woods of the District Attorney's office to allow her to  
5 create this affidavit, is that correct?

6 A Yes.

7 Q You knew that you were providing that information in  
8 order that the District Attorney might use it in a criminal  
9 prosecution against Mr. Robertson?

10 A Yes.

11 Q Are you aware, Detective Sullivan, of any other document  
12 created at or around the time of the incident that contains a  
13 reference to the marijuana cigarette you believe he was  
14 smoking?

15 A No.

16 Q Isn't it true that the first time that the marijuana  
17 cigarette was mentioned was in an affidavit that Officer  
18 Prince submitted in this case?

19 A I talked to the DA's office about it. If she doesn't  
20 choose to deem it necessary to charge him with it, that's up  
21 to her.

22 Q Maybe you misunderstood the question. I am asking about  
23 a reference to the marijuana cigarette itself.

24 Are you aware that the first time that marijuana  
25 cigarette was mentioned in any of the paperwork or any other

1 document that we are aware of, it was in an affi davi t that  
2 Officer Prince submitted in this l i t i g a t i o n?

3 THE COURT: That wasn't your first question. Your  
4 first question was just mentioned, not in a document. You are  
5 focusing only on documents?

6 MR. VALDES: Yes, Your Honor.

7 THE COURT: All right. Go ahead. You can answer  
8 the question.

9 A If you say so. I wasn't really keeping track of all  
10 the -- you put in a lot of documents before. You are saying  
11 that am I aware that this is the first time in this case that  
12 it was mentioned? Or the documentation was mentioned of it?

13 Q Correct.

14 A I guess so, yes.

15 Q After Mr. Robertson was arrested on the early morning of  
16 April 15th, you went back to search for the marijuana  
17 cigarette, is that correct?

18 A Yes, after he was taken into custody.

1 CONTI NUED CROSS-EXAMI NATI ON

2 BY MR. VALDES:

3 Q You never found that marijuana cigarette?

4 A No, sir.

5 Q You testified earlier that when Mr. Robertson was running  
6 you saw something fall in the path of his flight; is that  
7 correct?

8 A Yes.

9 Q Is it correct that you didn't actually see him throw  
10 something off of his person, you simply saw it fall in the  
11 flight of his path; is that correct?

12 A It could have been said that his arms were in up and down  
13 motion. That's also the same motion when a person runs. It's  
14 the best way to describe it fell from him. Now, could he have  
15 thrown it down? Yes, it's very probable that he did but it  
16 also could have been off of him when he running.

17 Q You didn't actually observe him while running throw  
18 something away?

19 A I believe I did at the time. It made sense to me.

20 Q The object, did it fall in his path or fall a few feet  
21 away from him right in his direction?

22 A Right in his path.

23 Q When the object fell, did you get a good look what the  
24 object was?

25 A No, I wasn't focused on it.

Sul li van-cross-Val des

441

1 Q You had no reason to believe that it was of any  
2 particular thing, just saw an object fall; you continued your  
3 pursuit; is that correct?

4 A Yes.

5 Q How soon after Mr. Robertson started running did you see  
6 the object fall?

7 A Pretty soon after. It was right after he went off the  
8 curb to go diagonally south on Williams, was just about the  
9 same time he came off the curb.

10 Q I believe you said it fell while he was running west on  
11 Pitkin Avenue on direct; do you recall that?

12 A He still would have been going west, southwest, a better  
13 description, I guess.

14 Q Your testimony is as he was turning on to  
15 Williams Avenue; is that correct?

16 A He didn't exactly make a turn like he was in a car. He  
17 went diagonal because he was on foot, as any of us can do.

18 Q At the time that that object fell, Mr. Robertson had his  
19 back to Officer Prince; is that correct?

20 A I believe so but I don't know what Officer Prince's  
21 position was. I could remember what mine was.

22 Q As far as you know, it was in the first few seconds he  
23 started running so Officer Prince was chasing him from behind,  
24 correct?

25 A I would say it would be more coming from the side. He

Sul li van-cross-Val des

442

1 still had to get around wherever he was, the door open, get  
2 around the car. It would be more from the side.

3 MR. VALDES: I would like to introduce P X 29 which  
4 is already in evidence.

5 Q There's been testimony earlier this is a satellite image  
6 of the intersection of Pitkin and Williams Avenue. Does that  
7 comport with your recollection of that area?

8 A Yes.

9 Q Where would you say Mr. Robertson was standing when you  
10 first spoke to him, if you could point on the block on Pitkin?

11 A It will go in there?

12 THE COURT: A dot will appear if you touch the  
13 screen.

14 A Somewhere from what I recollect, right around here.  
15 That's way far to the left, more to the right than I was  
16 saying.

17 THE COURT: Why don't you use your powers of  
18 description?

19 THE WITNESS: You see where the corner of the  
20 fence -- I believe the fence would be on the southeast corner  
21 of the intersection, that fence line right there, the darker  
22 gray area as described. Can everyone see that? He would be  
23 somewhere right about where the door is which would be  
24 indicated on Pitkin by the darker section.

25 THE COURT: Right there (indicating)?

Sul l i van-cross-Val des

443

1 THE WITNESS: Yes, sir, somewhere around there,  
2 probably towards the left side of it.

3 THE COURT: By the arrow?

4 THE WITNESS: Yes.

5 Q Mr. Robertson ran west initially; is that correct?

6 A Yes, sir.

7 Q After he started to run, you started to go forward in  
8 your car, I assume; is that correct?

9 A Yes.

10 Q When he turned onto Williams Avenue, were you already  
11 turning onto Williams Avenue at the same time?

12 A I believe I had to get around the curb.

13 Q You did or did not get around the curb?

14 A I had to get around the curb when I go over it.

15 Q At some point did Mr. Robertson cross in front of the  
16 path of your vehicle?

17 A He was nearly across the street on the sidewalk by the  
18 time I was turning fully onto Williams.

19 Q When Mr. Robertson was eventually handcuffed, where did  
20 he actually end up? Can you point out that area?

21 A I believe it was somewhere around here -- this is way  
22 off.

23 THE COURT: Why don't you slide that cursor over  
24 there, tell us where to stop?

25 THE WITNESS: You're going to the other side of the

Sul li van-cross-Val des

444

1 street -- other side of the street, you're right in the  
2 middle of the street now. Hold, very cool -- sorry, Judge.  
3 Now you're going to come south a little bit on the sidewalk,  
4 south a little bit, south -- right about there,  
5 approximately.

6 Q That's where he actually ended up on the ground, correct?

7 A Approximately, sir.

8 Q That's around where you saw him struggling with  
9 Officer Prince; is that correct?

10 A Yes, there and about.

11 Q Did you observe at any time that Mr. Robertson stopped  
12 and changed direction back towards the direction of  
13 Officer Prince?

14 A No.

15 Q You testified that you recovered a glove from a sewer  
16 drain. Can you point out on this map approximately where that  
17 drain is located?

18 A I think we saw two drains -- I believe the one on  
19 Williams, the southeast corner is the one that I was speaking  
20 of.

21 THE COURT: Southeast corner is the one by the  
22 lower right quadrant?

23 THE WITNESS: It's --

24 THE COURT: Down in this picture is south?

25 THE WITNESS: Yes.

1 THE COURT: East is to the right?

2 THE WITNESS: Yes. Yes, right around there would be  
3 the drain.

4 Q Is that anywhere near the area where he ended up on the  
5 ground with Officer Prince?

6 A No, it was farther down here.

7 THE COURT: How much more do you have?

8 MR. VALDES: About 20 minutes, your Honor.

9 THE COURT: We'll break for the day. You'll hear  
10 summations in the morning and my jury charge. You'll be  
11 deliberating tomorrow just to let you know where we are in the  
12 case.

13 Don't let information find you. Don't go looking  
14 for information. You know the drill by now.

15 Safe home. Be here on time, please. We'll start  
16 promptly at 9:30.

17 Have a nice evening. Good night. All rise.

18 (Jury leaves courtroom.)

19 THE COURT: I'll put a draft charge together, have  
20 it for you in the morning. At the conclusion of the evidence  
21 we'll have a charge conference and you'll sum up.

22 MR. GOLD: I apologize to the court. I have  
23 another commitment for another client. We'll have another  
24 associate from my office here tomorrow.

25 THE COURT: No problem. Good night.
